

DDMO MEETING NOTES 5/21/2024

Attendees: Chris C, Chris B, Lauren, Terri Albertson, Peg

Agenda:

- DDMO organization - everyone read the DDMO ordinance prior to the meeting. There were no objections, no issues with the draft.
- hanging baskets - delivered, decorative baskets were delivered yesterday. They need to be moved, but will now need to wait for the weather to cooperate.
- planters - planters have been re-planted with geraniums and ivy. There is an old planting of a bush which we discussed. Will ask Alex if we can move it to another location, then re-plant that one with ivy/geraniums.
- Harvestfest status - Heidi will do early bird special reminders for sign up.
- Theme for art contest for Harvestfest - Committee will think of ideas / theme for this year's Harvestfest art contest
- Memorial Day parade - bike decorating contest will be sponsored by DAICC. Children will meet at the library at 9:15 to decorate their bikes.
- Restaurant week - discussed Restaurant week in August. Committee agreed we will promote any restaurant specials and will offer a \$20 gift card for any \$100 spent at restaurants that week.
- Spring into Wellness - was well attended. Although it was a bit cold, the committee received positive feedback, and would like to schedule again next year, in coordination with the first Open Air Market.
- rope lights - this week Chris Cotty plans to straighten the rope lighting on the western end of Rt. 28 towards Zupkos. THANK YOU, CHRIS!

Thank you for your attendance. Please think of ideas for a theme for our Harvestfest Art Contest.
