

DDMO  
MEETING NOTES  
MAY 19, 2026

Attendance: Rebecca, Cole, Chris, Peg

Meeting began at 6:33

- follow up on last month's items - Diana reported that the car dealerships would be interested in a sponsorship next year. It was too late for this year, but we should start early on the request next year.

The bloodmobile is a great idea for the Spring into Wellness event, and we would like to be sure to include that for 2027,.

- election of officers for 2026 - cannot be held because we do not have a quorum.

- car show - DDMO received \$1410 from the car show, paid \$1500 toward trophies and half of the \$490 invoice for police support

- 250th anniversary - dunk tank, face painting, 3 bands, tug of war, water balloon contests, three legged race, etc., planned for the day, food vendors, as well as a bounce house - other suggestions? Date will be July 5. Discussed band selections, incorporating water, water guns, water slide, or possibly finding a way to work with the fire department for sprinkler/ misters. Cole will check to see if the parking lot will be re-paved prior to the event.

- Restaurant promotion - choose a week this summer - discussed coordinating \$250 spend for two \$25 gift certificates, coordinating the week with the 250th anniversary. Need to discuss when we have a quorum.

- flowers/planters scheduled for this week - Derryck contracted with a company to plant and stage the planters and hanging baskets.

- DDMO provided hanging baskets are scheduled to be hung this Thursday in the gazebos. All of the planters/hanging baskets should be in place prior to the Memorial Day parade

- Anyone interested in supporting bike decorating? we don't have anyone who is available in DAICC at this time. Looking for volunteers to help provide supplies to kids to decorate bikes prior to the parade

Meeting ended at 7:10
