

DDMO Meeting notes  
February 20, 2024

Attendees: Chris, Lauren Peg

Spring into Wellness - Yoga essence and GDC have agreed to perform. DAICC will sponsor chair yoga as well. Will now reach out to Warrior, Rock Star to see if they have interest in performing.

Kessler - Angelica - any luck speaking to them about the event?

Heidi will create a facebook post for Spring into Fitness.

Next Stop Newsletter - the March issue will feature the 91 anniversary of Sheenan Funeral Home, which will be celebrated on March 24, 2024.

Lauren will contact Carolyn Sheenan for details for the write up.

Beautification - Peg will order hanging baskets for this spring. Pick up will be after Mother's Day.

Planters - will plant ivy again this year, and geraniums. Hopefully we will not have wildflowers planted over them.

Rope lights - Chris Cotty straightened out the rope lights on Washington Avenue. He noted that the brackets that were installed were installed over the rope lights, so may squeeze the lirop[e light and break it. Will ask Alex if the DPW can put the brackets under the rope lights for Rt. 28 and then Chris will straighten the rope lighting on Rt 28.

Next meeting will be March 19, 2024. We will try for an in person meeting, now that our Mon holidays are finished, and we have no conflict with the Council meetings.

Thanks all.
