Project), to implement and complete the redevelopment of the Property which shall consist of the following, as applicable: (i) approximately 1,578 square feet of ground floor commercial space and fourteen (14) residential rental units, including twelve (12) market rate units and two (2) affordable units; (ii) procurement of all applicable Governmental Approvals for all Project Improvements; (iii) financing, design, construction and Completion of all Project Improvements; (iv) marketing of the Project as necessary to ensure sufficient tenants to facilitate the financing, leasing, sale and occupancy of the improvements; and (v) payment of the Borough Costs in accordance with the terms of this Agreement. All activities performed under this Agreement shall be provided in accordance with the level of skill and care ordinarily exercised by developers of first class multifamily residential developments.

(b) The Project shall in all material respects be developed consistent with this Agreement, the Redevelopment Plan and Applicable Law.

(c) Redeveloper has been designated as the exclusive redeveloper of the Property and shall have the exclusive right to redevelop the Property and implement the Project in accordance with the terms and conditions of this Agreement.

Section 2.2 Project Schedule.

(a) The Project Schedule shall control the Commencement, progress and Completion of the Project. The Parties agree and acknowledge that adherence to the Project Schedule is of the essence, subject to the provisions of Section 2.4.

(b) Redeveloper may modify the Project Schedule from time to time, provided that (i) any such modification shall not change the Completion Date for the Project without the prior written consent of the Borough, and (ii) any material changes to the Project Schedule shall be subject to the Borough's review and consent, provided that in the case of either clause (i) or (ii) herein, the Borough will not unreasonably withhold, condition or delay its consent.

(c) Upon Completion of the Project, Redeveloper shall apply to the appropriate Governmental Body for a Certificate of Occupancy for the Project.

(d) If, subject to the provisions in Section 2.4, Redeveloper fails to Complete the Project by the Completion Date for any reason or determines that it will fail to Complete the Project by the Completion Date for any reason, Redeveloper shall promptly provide notice to the Borough stating: (i) the reason for the failure or anticipated failure to meet the Completion Date, (ii) Redeveloper's proposed method for correcting such failure, (iii) Redeveloper's proposal for revising the applicable Completion Date, and (iv) the method or methods by which Redeveloper proposes to achieve subsequent tasks by the relevant Completion Date. In such event the Borough's consent shall be required for the modification of the Completion Date, and such consent shall not be unreasonably withheld, conditioned or delayed. If the Borough does not so consent and Redeveloper fails to Complete the Project by the Completion Date, then Redeveloper shall be in default hereunder.

(e) If Redeveloper has performed all of its duties and obligations under this Agreement and Completed the Project in its entirety, the Borough shall, as applicable, within thirty (30) days of the issuance of a Certificate of Occupancy for the Project and receipt of a written request from Redeveloper, issue a Certificate of Completion. (g) Upon the issuance of the Certificate of Completion, the conditions determined to exist at the time the Redevelopment Area was determined to be an area in need of redevelopment shall be deemed to no longer exist with respect to the Property. Unless otherwise provided, the Property and the Project shall no longer be subject to any covenant herein encumbering the Redevelopment Area.

Any persons present at the Property pursuant to the foregoing sentence will comply with all applicable reasonable health and safety rules established by the Redeveloper for personnel present on the Property. The Borough shall have the right but not the obligation to obtain duplicate samples from Redeveloper collected as part of the Remediation of the Property. Such inspections and observations shall not relieve Redeveloper from its obligation to implement the Project and Remediate the Property in accordance with this Agreement. In no event shall the Borough’s inspection of the Project under this Section 2.3(c) be deemed acceptance of the work or deemed to waive any right the Borough has under this Agreement. Representatives of any Governmental Body with permitting jurisdiction over the Project, the Property or the Remediation shall be permitted to enter the Property at any time.

Section 2.4 Tolling. Redeveloper shall diligently adhere to the Project Schedule and the provisions set forth in this Article II, provided that such obligations shall be extended on a day for day basis for each day that Redeveloper’s performance hereunder is delayed by (a) an act or omission by one Party or a third party that has a material adverse effect on the Redeveloper’s ability to perform any obligation, requirement, commitment, or responsibility prescribed under this Agreement; (b) the occurrence of an event of Force Majeure; (c) any extension granted by either Party to the other Party, to extend any proposed date in this Agreement; (d) the denial of any Governmental Approval by the Governmental Agency with jurisdiction thereover; (e) if an appeal is filed as to any Governmental Approval, the Project Schedule timing shall be tolled as set forth in Section 2.2; or (f) any reasonable request by one Party to the other to extend the time for performance of any obligation, requirement, commitment or responsibility arising pursuant to this Agreement. If a delay only affects a portion of the Project, the extension granted hereunder shall only apply to the obligations so affected and Redeveloper shall, to the extent practicable, continue to perform its obligations with respect to the balance of the Project.

Section 2.5 Infrastructure Improvements.

(a) Redeveloper will design and construct the Infrastructure Improvements in a good and workmanlike manner and in substantial accordance with all Applicable Laws. Redeveloper acknowledges the presence of certain existing utility structures, including but not limited to electric power transmission lines, sewer transmission conduits or pipes, water lines or pipes, storm sewers, telephone transmission lines, television cable lines and other utilities, and agrees to undertake the appropriate measures to negotiate with,

acquire, relocate or otherwise address the existence of these utilities and easements therefor, in order to complete the Project as provided by this Agreement. Site plan approval may be conditioned upon other on-site and off-site improvements specific to the Project, consistent with the authority of the Planning Board and consistent with the Land Use Law, as amended from time to time. If site plan approval is so conditioned, Redeveloper shall exercise commercially reasonable efforts to ensure the effective coordination of such improvements and shall cooperate with the Borough in all respects to ensure that the implementation of the Project does not unreasonably interfere with the operation of the existing utilities and infrastructure. Redeveloper agrees to provide the Performance and Maintenance Bonds as required by the Planning Board, consistent with the authority of the Planning Board under the Land Use Law.

(b) With respect to the Streetscape Improvements, in addition to the obligations set forth in subparagraph (a), Redeveloper shall use its best efforts to obtain the approval of NJDOT to install same in the NJDOT right-of way, and Redeveloper shall retain all responsibility for maintenance of the Streetscape Improvements at Redeveloper's sole cost and expense. To the extent that NJDOT may seek to impose any requirements on the Borough with respect to the Streetscape Improvements, Redeveloper shall assume such responsibilities, and such assumption shall be set forth in the Declaration in terms acceptable to the Borough, or, as may be necessary, in an amendment thereto, to run with the land in perpetuity. In the event that NJDOT does not approve some or all of the Streetscape Improvements,, the Parties shall cooperate to propose alternate or modified Streetscape Approvals (as may be suggested by NJDOT) or streetscape approvals outside of NJDOT jurisdiction. As an alternative to the preceding sentence, the Borough may require Redeveloper to make a development contribution to the Borough in the amount equal to the cost of any Streetscape Improvement element not approved by NJDOT.

Section 2.6 Prohibition Against Suspension, Discontinuance or Termination. Redeveloper shall not suspend or discontinue its performance of its obligations under this Agreement for a period exceeding sixty (60) consecutive days or terminate this Agreement (other than in the manner provided for herein) for any reason except to the extent permitted by Section 2.4, but only to the extent and for the period of time permitted by Section 2.4.

Section 2.7 Certificate of No Default. Redeveloper shall deliver to the Borough a certificate to the effect that Redeveloper is not aware of any condition, event or act which constitutes a violation of this Agreement or which would constitute an Event of Default hereunder and to its act and knowledge no condition, event or act exists which, with notice or lapse of time, or both, would constitute such a violation, or Event of Default, or if any such condition, event or act exists, specifying the same (the "Certificate of No Default"). The Certificate of No Default shall be delivered to the Borough on an annual basis within ninety (90) days after the close of each fiscal year for Redeveloper.

Section 2.8 Cooperation. The Parties shall fully cooperate with each other as necessary and desirable to accomplish the Project, including entering into additional agreements that may be required, provided, however, that such actions shall not result in a material increase in the Borough's and Redeveloper's respective obligations hereunder or material decrease in the Borough's and Redeveloper's respective rights hereunder. The Borough specifically agrees to

cooperate with the Redeveloper to effect changes to the Redevelopment Plan consistent with the instructions of the Redevelopment Plan and this Agreement.

ARTICLE III PROJECT APPROVALS

Section 3.1 Governmental Approvals and Third Party Approvals.

(a) Redeveloper shall use commercially reasonable efforts to secure, or cause to be secured, any and all Governmental Approvals and Third Party Approvals for the Project in order to cause Commencement, Completion and Remediation of the Project and Property in accordance with the Project Schedule and the provisions of Section 2.2.

(b) The Borough agrees to reasonably cooperate with Redeveloper and use reasonable efforts to support any application for and to obtain any Governmental Approvals and Third Party Approvals that are consistent with the terms of this Agreement, the Redevelopment Plan and Applicable Laws and the approved site plan, and at the request of Redeveloper to execute any documents required to obtain such approvals, provided that, nothing in this Section shall be deemed: (i) to constitute an approval of all or any portion of the Project for which Governmental Applications have been submitted or are required; or (ii) a waiver of the ability of the Planning Board or any other Governmental Body having jurisdiction thereof from exercising its statutorily authorized responsibilities with respect to the Governmental Applications or Governmental Approvals required by Applicable Law. Redeveloper shall update the list of all Governmental Approvals as part of the Progress Reports, if and as appropriate during the Project and provide copies to the Borough. Prior to submission of any Governmental Applications, Redeveloper shall provide to the Borough a concept plan for its review and comment. All Governmental Applications shall comply with the Site Plan Approval. Redeveloper shall provide the Borough with copies of all other Governmental Applications promptly upon submission of same. Further, Redeveloper shall provide the Borough with copies of all hearing notices promptly upon receipt of same and shall promptly inform the Borough of the results of such hearings and Governmental Applications.

(c) No Governmental Approval shall be deemed “final” until (i) the time for all appeals has run without the filing of an appeal or (ii) in the event an appeal is filed, all such appeal(s) have been resolved fully in favor of the Project and/or Redeveloper and the time for filing any further appeal has expired without the filing of any such appeals.

(d) Redeveloper shall have the right but not the obligation to contest any unsatisfactory requirement or condition with respect to the Project imposed on Redeveloper as a condition to a Governmental Approval, and in such event the Project Schedule timing shall be tolled as set forth in Section 2.4. Redeveloper shall comply with any such requirement or condition if Redeveloper is unsuccessful in contesting same and the requirement or condition will not have a material adverse financial or operational impact on Redeveloper in connection with the Project, as determined by Redeveloper in the exercise of its reasonable business judgment. If Redeveloper is unsuccessful in contesting any unsatisfactory requirement or condition and the requirement or Redeveloper determines that such condition will have a

material adverse financial or operational impact on Redeveloper in connection with the Project, in the exercise of Redeveloper's reasonable business judgment, Redeveloper may terminate this Redevelopment Agreement pursuant to Section 12.2(c) of this Agreement.

(e) In the event that Redeveloper's application for any Governmental Approval is denied or any Person brings an action that contests or challenges the grant of any Governmental Approval, and in such event the Project Schedule timing shall be tolled as set forth in Section 2.4, then Redeveloper shall have the right in its sole discretion to (i) modify and resubmit such application, if applicable, in order to secure such Governmental Approval, provided that such modification is consistent with this Redevelopment Agreement and the Redevelopment Plan, and does not result in a material change to the Project as contemplated herein, or (ii) appeal or defend against such action, or (iii) terminate this Agreement by providing written notice to the Borough in accordance with the provisions of Section 12.2(c) of this Agreement.

Section 3.2 Borough Approval. The Borough agrees to rely upon the Planning Board's review of all development applications, but Borough reserves the right to provide its recommendations to the Planning Board for consideration by the Planning Board in connection with Redeveloper's site plan applications. Redeveloper shall provide initial construction drawings to the Borough prior to issuance of a building permit for the Project. Upon Completion, Redeveloper shall provide as-built drawings for the Project to the Borough.

ARTICLE IV FINANCING OF THE PROJECT

Section 4.1 Redeveloper Financial Commitment.

(a) Project Costs. Except with respect to the provisions of Section 3.3, all costs of implementing and Completing the Project, including but not limited to the cost of obtaining all Governmental Approvals, the cost of the acquisition of the Property, the cost of designing and constructing (including the costs of any construction observation services) all Project Improvements, all financing costs, all marketing and leasing costs for the Project Improvements, and the Borough Costs (collectively, the "Project Costs") shall be borne by Redeveloper (except to the extent financed, reimbursed by, or paid by third parties in the ordinary course of business, other than the Borough).

(b) Payment of Borough Costs.

(i) Redeveloper agrees to provide funding to the Borough for all reasonable out-of-pocket costs incurred by the Borough in connection with the redevelopment of the Property (the "Borough Costs"). The Borough Costs shall include, but not be limited to, any reasonable fees and costs of any professional consultant, contractor or vendor retained by the Borough including attorneys, engineers, technical consultants, environmental consultants, planners and financial consultants, among others, and all out-of-pocket costs and expenses of the Borough, which are incidentally necessary for the Borough to meet its obligations as it pertains to the Project.

(ii) Redeveloper has established an Escrow Account (also referred to as the “Interim Fund”), pursuant to the Interim Cost Agreement, having an initial balance of Ten Thousand Dollars (\$10,000.00). The Interim Fund defined therein shall now be referred to as the “Escrow Account.” If, when and as often as may occur that the balance of the Escrow Account is drawn down to or below Five Thousand Dollars (\$5,000.00), within five (5) days of the Borough’s request, Redeveloper will replenish the Escrow Account to Ten Thousand and 00/100 Dollars (\$10,000.00). Simultaneously with such replenishment request, the Borough shall use good faith efforts to provide Redeveloper with a reasonable estimate of the Borough’s remaining costs to be paid.

(iii) Funds in the Escrow Account will be applied to the payment or reimbursement of the Borough Costs as provided in this Redevelopment Agreement. Prior to making any disbursement from the Escrow Account, written notice of the proposed disbursement shall be mailed to Redeveloper, setting forth: (i) the amount of the disbursement; (ii) the name of the person, company or entity designated to receive payment; and (iii) a description, in reasonable detail, of the particular cost to be paid or reimbursed in accordance with this Redevelopment Agreement. If Redeveloper does not object to such disbursement within fifteen (15) days of receipt of such notice, Redeveloper will be deemed to have approved same. Any dispute concerning payment of the Borough Costs shall be resolved in accordance with the procedures set forth in N.J.S.A. 40:55D-53.2a. Upon the issuance of the Certificate of Completion of the Project, or upon termination of this Redevelopment Agreement, any money remaining in the Escrow Account shall be disbursed to Redeveloper, except that the Borough may retain an amount sufficient to cover any remaining Borough Costs.

(iv) On the Effective Date of this Agreement, the Interim Cost Agreement shall cease to be operative and effective and the terms and obligations contained therein shall be subsumed by the terms contained herein.

Section 4.2 Governmental Approval Fees. Redeveloper shall pay all fees for permits required by the Borough (in accordance with standard fees provided in the Borough’s municipal code) and any other Governmental Body for the construction and development of the Project in accordance with Applicable Laws. Redeveloper shall pay all other permit fees, which include any permit fees payable by the Borough or Redeveloper to all required Governmental Bodies other than the Borough, or for which the Borough is required to reimburse other Governmental Bodies or for which the Borough pays to the County of Middlesex or the State of New Jersey.

Section 4.3 Mortgage Financing.

(a) Mortgage Financing. Redeveloper, or its successor in interest, shall notify the Borough in advance of any financing secured by a mortgage or other lien instrument which it proposes to enter into with respect to the Property and/or Project Improvements, or any part thereof (the mortgagee thereunder, a “Holder,” it being hereby expressly acknowledged that under no circumstances shall an Affiliate of Redeveloper be deemed a Holder hereunder) and, in any event, Redeveloper shall promptly notify the Borough of any encumbrance or lien (other than liens for governmental impositions) that has been created on or attached to any portion of the Property and/or the Project Improvements, whether by voluntary act of Redeveloper or

otherwise, upon obtaining knowledge or notice of same. Redeveloper shall provide Borough with written notice that Redeveloper has obtained financing for the Project within fifteen (15) days after Redeveloper's acceptance of the financing commitment.

(b) Forbearance. If any Holder seeks to effect a Foreclosure (as defined here) as a result of a default by Redeveloper under any agreements executed by Redeveloper, the Borough agrees to forbear from the enforcement of any remedies provided under this Redevelopment Agreement that it may have against Redeveloper in order to permit such Holder to assume the obligations of Redeveloper under this Redevelopment Agreement, provided, however, that the Borough shall not be obligated to forbear from the exercise of any remedies available to it against Redeveloper or the Property or Project hereunder if such forbearance will result (or may result, in the reasonable judgment of the Borough) in a waiver of the Borough's rights under this Redevelopment Agreement or a material and adverse effect on the Borough's rights or performance obligations hereunder or any material increase in the Borough's financial obligations hereunder.

(c) No Guarantee of Construction or Completion by Holder.

(i) A Holder shall in no manner be obligated by the provisions of this Redevelopment Agreement to construct or Complete the Project Improvements, or to guarantee such construction or Completion; nor shall any covenant or any other provisions be construed so as to obligate a Holder. Nothing contained in this Redevelopment Agreement shall be deemed to permit or authorize such Holder to undertake or continue the construction or Completion of the Project Improvements (beyond the extent necessary to conserve or protect the Holder's security, including the improvements or construction already made) without the Holder first having expressly assumed Redeveloper's obligations to the Borough with respect to the Project Improvements by written agreement reasonably satisfactory to the Borough.

(ii) If a Holder forecloses its mortgage secured by the Property or Project Improvements, or takes title (in its name or the name of an Affiliate) to the Property or Project Improvements by deed-in-lieu of foreclosure or similar transaction (collectively, a "Foreclosure"), the Holder or its Affiliate shall have the option to either (i) sell the Property or Project Improvements, as applicable, to a responsible Person reasonably acceptable to the Borough, which Person shall expressly assume the obligations of Redeveloper under this Redevelopment Agreement, and/or (ii) itself, or its Affiliate, expressly assume the obligations of Redeveloper under this Redevelopment Agreement. In the event of a Foreclosure and provided the Holder or the purchaser is in compliance with this Redevelopment Agreement, the Borough shall not seek to enforce against the Holder or purchaser of such parcel any of the remedies available to the Borough pursuant to the terms of this Redevelopment Agreement available in connection with the events preceding the Foreclosure. The Holder, or the entity assuming the obligations of Redeveloper as to the parcel affected by such Foreclosure or sale, in that event must agree to Complete the Project Improvements as per this Redevelopment Agreement, but subject to reasonable extensions, and shall submit evidence reasonably satisfactory to the Borough that it has the qualifications and financial ability to perform such obligations. Any such Holder, or other entity assuming such obligations of Redeveloper, properly Completing the Project Improvements shall be entitled, upon written request made to the Borough, to Certificates of Completion. Nothing in this Redevelopment Agreement shall be construed or deemed to

permit or to authorize any Holder, or such other entity assuming such obligations of Redeveloper, to devote the Property, or any part thereof, to any uses, or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this Redevelopment Agreement. The Holder or such other entity that assumes the obligations of Redeveloper shall be entitled to develop the Property or Project Improvements in accordance herewith.

(d) Borough's Option to Pay Mortgage Debt or Purchase Land. In any case where, subsequent to an Event of Default by Redeveloper under this Agreement and/or Foreclosure, the Holder:

(i) has, but does not exercise, the option to construct or complete the Project or part thereof covered by its mortgage or to which it has obtained title, and such failure continues for a period of ninety (90) calendar days after the Holder has been notified or informed of the Event of Default; or

(ii) undertakes construction or completion of the Project but does not complete such work within a reasonable period, and such default shall not have been cured within ninety (90) calendar days after written demand by Borough to do so unless such work cannot be reasonably completed in such time frame but the Holder is diligently and continuously undertaking construction and completion then Borough will extend such time frames accordingly ((a) and (b) each a "Holder Failure");

then Borough, or its designee, shall have the option of paying to the Holder the amount of the mortgage debt including all accrued and unpaid interest and obtaining an assignment of the mortgage and the debt secured thereby, or, in the event ownership of the Project Improvements and Property (or part thereof) has vested in such Holder by way of the Foreclosure, Borough, or its designee, shall be entitled, at its option, to a conveyance to it of the Project Improvements and Property or part thereof (as the case may be) upon payment to such Holder of an amount equal to the sum of: (a) the mortgage debt inclusive of all costs and expenses Holder was so entitled under the mortgage documents, at the time of the Foreclosure (less all appropriate credits, including those resulting from collection and application of rentals and other income received during Foreclosure proceedings); (b) all expenses with respect to the Foreclosure, including reasonable attorney's fees and expenses; (c) the net expense, if any (exclusive of general overhead), incurred by such Holder in and as a direct result of the subsequent management of the mortgaged property; (d) the costs incurred by such Holder in making any Project Improvements; and (e) an amount equivalent to the interest that would have accrued on the aggregate of such amounts had all such amounts become part of the mortgage debt and such debt had continued in existence. Every mortgage instrument made prior to completion of the Project with respect to any phase of development of the Project by Redeveloper shall provide for the foregoing.

(e) Cooperation with Holder. Borough shall reasonably cooperate with a Holder to modify the provisions of this Agreement if reasonably requested by Holder or a proposed Holder; provided, however, that such modifications shall not substantially reduce the rights or increase the responsibilities of Borough hereunder.

ARTICLE V

Section 5.1 Representations and Warranties of the Redeveloper. Redeveloper hereby makes the following representations and warranties, understanding that the Borough has relied upon the same as a material element in entering into this Agreement:

(g) To the best of Redeveloper's knowledge, there is no action, proceeding or investigation now pending or threatened, nor has Redeveloper received notice of any such action, proceeding or investigation, which (i) questions the authority of Redeveloper to enter into this Agreement or any action or act taken or to be taken by Redeveloper pursuant to this Agreement; or (ii) is likely to result in a Material Adverse Change in Redeveloper's property, assets, liabilities or condition which will impair its ability to perform its obligations pursuant to the terms of this Agreement.

(h) Redeveloper's execution and delivery of this Agreement and its performance hereunder will not constitute a violation of or conflict with any of Redeveloper's organizational documents or of any agreement, mortgage, indenture, instrument or judgment, to which Redeveloper is a party or by which it is bound or affected.

(i) Redeveloper agrees that the cost and financing of the Project is the responsibility of Redeveloper, pursuant to and as set forth in this Redevelopment Agreement, the Financial Agreement and any other agreements between the Parties. (k) The ownership of each member of Redeveloper owning ten percent (10%) or more of the ownership interest in Redeveloper is set forth on **Exhibit D**. (l) Neither Redeveloper nor its members have been convicted in a criminal proceeding, and none of them are a named subject in a pending criminal proceeding (excluding traffic violations or other similar minor offenses), and, to the best of the Redeveloper's knowledge and belief the principals and members of Redeveloper, are not a target of a criminal investigation.

(m) Neither Redeveloper nor its members directly or beneficially, is a party to or beneficiary of any contract or agreement with the Borough which has been terminated due to a default by such individual, partnership or entity or which is currently the subject of a dispute in which the Borough alleges such default, nor is such individual, partnership or entity an adverse party in any currently pending litigation involving the Borough.

(n) Neither Redeveloper nor any of its members has been found in any civil or criminal action in or by any court or Governmental Body of competent jurisdiction to have violated any federal or State law or regulation relating to the sale of securities or commodities or been enjoined from engaging in any trade or business for any reason other than the violation of a contractual non-competition provision.

(o) Redeveloper is not aware of any physical or legal condition of the Property, including, but not limited to, environmental contamination, that would prevent Redeveloper from timely Completing the Project.

Section 5.2 Representations and Warranties by the Borough. The Borough hereby makes the following representations and warranties, understanding that Redeveloper has relied thereon as a material element in entering into this Agreement:

(a) The Borough has the legal power, right, authority and means to enter into this Agreement and the instruments and documents referenced herein to which the Borough is or may be a party, to consummate the transactions contemplated hereby, to take any steps or actions contemplated hereby, and to perform its obligations hereunder.

(c) This Agreement is duly executed by the Borough, and is valid and legally binding upon the Borough and enforceable in accordance with its terms on the basis of laws presently in effect and the execution and delivery hereof shall not, with due notice or the passage of time, constitute a default under or violate the terms of any indenture, agreement or other instrument to which the Borough is a party.

(d) The Borough represents that, to its actual knowledge, there is no action, proceeding or investigation now pending or threatened in writing, nor any basis therefore, known or believed to exist which questions the validity of this Agreement or any action or act taken or to be taken by the Borough concerning the subject matter of or pursuant to this Agreement.

Section 5.3 Mutual Representations. In the event that any contractual provisions that are expressly required by Applicable Law have been omitted, then the Borough and Redeveloper agree that this Redevelopment Agreement shall be deemed to incorporate all such clauses by reference and such requirements shall become a part of this Redevelopment Agreement. If such incorporation occurs and results in a change in the obligations or benefits of one of the Parties, the Borough and Redeveloper agree to act in good faith to mitigate such changes in position in order to conform as nearly as possible to the terms of this Agreement at the time of execution. In the event, despite the efforts of the Parties to mitigate, such change results in a material adverse financial impact on either Party, either Party may terminate this Redevelopment Agreement by providing written notice to the other Party within thirty (30) days of the discovery of the deemed incorporation of any such clause.

ARTICLE VI COVENANTS AND RESTRICTIONS

Section 6.1 Redeveloper Covenants. Redeveloper covenants and agrees that:

(a) Redeveloper shall design, construct, and complete the Project in compliance with the Redevelopment Plan, Governmental Approvals, Applicable Laws and this Redevelopment Agreement.

(b) Subject to the terms of this Agreement, including, without limitation, Section 12.3, Redeveloper shall undertake with due diligence (i) the financing of the Project, (ii) construction and development of the Project, (iii) to begin and complete each item in the Project Schedule on or prior to the date set forth in the Project Schedule (and for those items for which commencement dates only are given, such items shall be completed in a commercially reasonable period), and (iv) to seek tenants for the Project Improvements. All activities performed under this Redevelopment Agreement shall be performed in accordance with the level of skill and care ordinarily exercised by developers of first class developments of the same type and nature as the Project.

(c) Redeveloper shall undertake with due diligence the Remediation of the Property, if required, or, as applicable, enforce all rights it has against third parties with respect to Remediation of the Property.

(d) Redeveloper shall not seek any material changes in the number and distribution of residential units and/or any other changes that would cause the Project to become nonconforming under the Redevelopment Plan. In the event that such a change is required as a condition of a Government Approval, Redeveloper shall request the Borough's approval of such change, which approval shall not be unreasonably withheld, conditioned or delayed, and, if required, an amendment to site plan approval for the Project from the Planning Board.

(e) Redeveloper shall use diligent efforts to obtain all Governmental Approvals and Third Party Approvals requisite to the construction, development, use and occupancy of the Project and Remediation of the Property, if any, including evidence reasonably satisfactory to the Borough that the Project is in compliance with all Applicable Laws, including the Environmental Laws.

(f) Subject to the provisions of Sections 2.4 and 2.6 of this Agreement, Redeveloper shall not suspend or discontinue the performance of its obligations under this Redevelopment Agreement (other than in the manner provided for herein) for any reason, including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, commercial frustration of purpose, or any damage to or destruction of the Project.

(g) Redeveloper shall not use the Property, Project Improvements, or any part thereof in a manner that is inconsistent with the Redevelopment Plan and this Redevelopment Agreement.

(h) Until a Certificate of Completion has been issued for the Project, Redeveloper cannot sell, convey, lease, or otherwise transfer all or any portion of the Project without consent from the Borough, except as otherwise permitted by this Agreement (including as set forth in Article XI), provided that nothing contained in this Agreement shall prevent Redeveloper from

entering into contracts of leases which are conditioned upon obtaining a Certificate of Occupancy or Certificate of Completion as applicable.

(i) Redeveloper shall comply with all Applicable Laws that prevent discrimination against any person, or group of persons, on the basis of age, race, color, religion, creed, national origin, ancestry, physical handicap, familial status, sex, or sexual orientation in the sale, lease, sublease, rental, transfer, use, or occupancy of any Property in the Redevelopment Area, or any part thereof.

(j) Redeveloper shall not knowingly employ, hire or otherwise involve in the Project any Person that has previously been disbarred, suspended or otherwise ruled unable to participate in the process of bidding for, and being awarded, public contracts.

(k) Redeveloper shall promptly notify the Borough of any material adverse change in its financial condition from the information provided to the Borough by Redeveloper indicating Redeveloper's financial capability to develop, finance and construct the Project in furtherance of the Borough's consideration in designating CommuniPaw Associates, LLC as Redeveloper.

(l) Redeveloper shall make all payments in satisfaction of Redeveloper's financial obligations as set forth in this Redevelopment Agreement, including but not limited to payment of the Borough Costs.

(m) Redeveloper shall repair and/or restore as necessary any internal roadway leading to or from the Project that is damaged or impacted during construction, subject to the inspection, before a Certificate of Completion is issued.

Section 6.2 Borough Covenants. The Borough hereby covenants and agrees that:

(a) The Borough shall cooperate with Redeveloper to ensure that all Governmental Approvals and additional financing sources, if necessary, are obtained for the Project.

(b) The Borough shall undertake and complete, with due diligence, all of its obligations under this Redevelopment Agreement.

(c) The Borough agrees that its respective officials will respond to any land use, environmental, infrastructure or building permit application filing and any related inspections requested by or on behalf of the Redeveloper within reasonable time periods so as not to cause any undue delay in the processing of such application filings and inspection requests.

Section 6.3 Declaration of Covenants and Restrictions. Within ten (10) days of the Effective Date, Redeveloper shall execute and record a Declaration of Covenants and Restrictions, approved by the Borough (the "Declaration"), imposing the Redeveloper covenants on the Property, together with such other matters indicated in this Redevelopment Agreement as to be included in the Declaration, and the provisions hereof relating to Transfers, all as may be limited by the rights of a Holder granted hereunder, in substantially the form attached hereto as **Exhibit F**.

Section 6.4 Effect and Duration of Covenants. It is intended and agreed that the covenants and restrictions set forth in Section 6.1 shall be covenants running with the land. All covenants in Section 6.1, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in this Agreement, shall be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by the Borough and its successors and assigns, and any successor in interest to the Property, or any part thereof, against Redeveloper, its successors and assigns and every successor in interest therein, and any party in possession or occupancy of the Property or any part thereof. Notwithstanding the foregoing, the agreements and covenants set forth in Section 6.1 shall cease and terminate upon the issuance of a Certificate of Completion for such improvements, provided, however, that the covenant in Section 6.1(i) shall remain in effect without limitation as to time.

Section 6.5 Enforcement by the Borough.

(a) In amplification, and not in restriction, of the provisions of this Article VI, it is intended and agreed that the Borough and its successors and assigns shall be deemed beneficiaries of the terms and covenants set forth in this Redevelopment Agreement, both for and in their own right but also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such agreements and covenants have been provided. Such agreements and covenants shall run in favor of the Borough for the entire period during which such agreements and covenants shall be in force and effect (and the Declaration shall so state), without regard to whether the Borough has at any time been, remains, or is an owner of any land or interest therein. The Borough shall have the right, in the event of any material breach of any such agreement or covenant beyond any applicable notice and cure period, to exercise all the rights and remedies and to maintain any actions or suits at law or in equity or other lawful proceedings to enforce the curing of such breach of agreement or covenant, to which it or any other beneficiaries of such agreement or covenant may be entitled.

(b) Subject to Section 8.8 of this Agreement, or unless otherwise provided herein, the covenants and restrictions contained in this Article VI shall run with the land and be referenced in any deeds, leases, or other documents of conveyance for the Property, but shall cease and terminate upon issuance of a Certificate of Completion for the Project.

(c) Upon Completion of the Project, the conditions that were found and determined to exist at the time the Redevelopment Area was determined to be in need of redevelopment shall be deemed to no longer exist and the conditions and requirements of N.J.S.A. 40A:12A-9 shall be deemed to have been satisfied with respect to the Project.

**ARTICLE VII
ENVIRONMENTAL OBLIGATIONS**

Section 7.1 Remediation of Property. The Redeveloper shall be responsible for the Remediation and management (including, but not limited to, excavation, characterization, segregation, storage, permitted reuse or off-site disposal, as applicable) of any Hazardous

Substances, which shall include soils, groundwater and vapor, generated in connection with, caused by or discovered during any demolition or construction activities associated with the Project in accordance and compliance with all applicable Environmental Laws. Additionally, the Redeveloper shall not cause any release or discharge of any Hazardous Substances in connection with the Project at, on, under or upon the Property or elsewhere within the Borough and any such release or discharge shall be promptly remediated in accordance with applicable Environmental Laws. In the event that the Redeveloper or any agent, employee or contractor of the Redeveloper shall cause any release or discharge of any Hazardous Substances in connection with the Project (i) at, on, under or upon the Property or (ii) elsewhere within the Borough, Redeveloper shall promptly notify the Borough in writing and investigate and remediate same in accordance with applicable Environmental Laws. To the extent required, all costs for Remediation shall be the sole responsibility of Redeveloper, including ongoing compliance with engineering and/or institutional controls. Redeveloper shall diligently prepare and submit all applications and documentation required to comply with the requirements of all Environmental Laws. Redeveloper shall also use diligent efforts to obtain all environmental approvals for the Remediation of the Property. The Redeveloper's Remediation, if any, shall be consistent with the proposed uses of the Property and shall implement the applicable standard of remedy as deemed appropriate by a Licensed Site Remediation Professional or otherwise required by the NJDEP in accordance with applicable Environmental Laws. Redeveloper shall submit to the Borough periodic reports of its investigation and characterization of contamination on the Property and Redeveloper's plan and timeline for the Remediation thereof. The information set forth in the foregoing reports to the Borough shall be kept current, and, no less frequently than quarterly, Redeveloper shall provide Borough with information regarding the implementation of and revisions to the process set forth therein. In the event of contamination with or a discharge of Hazardous Substances, the establishment of a Deed Notice, issuance of any Remedial Action Permit(s) and issuance of any Response Action Outcome(s) associated with or arising out of Redeveloper's Remediation shall be conditions precedent to the issuance of any Certificate of Completion to be furnished to the Redeveloper by the Borough for the Project, all as may be applicable.

Section 7.2 Indemnification of Borough. Redeveloper shall, in accordance with Section 10.1, defend, protect, indemnify and hold harmless the Borough Indemnified Parties from any Environmental Claims which may be sustained as a result of any environmental conditions on, in, under or migrating to or from the Property to the extent that any such liabilities, obligations, claims, damages, losses, proceedings or costs attached to the Borough Indemnified Parties as a result of this Agreement or the actions or omissions of Redeveloper pursuant to this Agreement, including, without limitation, Environmental Claims against the Borough Indemnified Parties by any third party.

ARTICLE VIII REQUIRED UNDERTAKINGS

Section 8.1 Supervision. Redeveloper shall supervise and direct the contractors and subcontractors for the Project. Redeveloper shall use reasonable efforts to cause such contractors and subcontractors to (a) confine operations to within the Property, or areas appurtenant thereto,

or to areas permitted by the Governmental Approvals and Applicable Laws, and (b) not unreasonably encumber the Property or areas appurtenant thereto with materials or equipment.

Section 8.2 Neighborhood Impacts. Redeveloper shall take all commercially reasonable steps to minimize negative effects that the construction of the Project may produce to the areas immediately surrounding the Property.

Section 8.3 Traffic. Redeveloper and the Borough agree that the direction, flow and amount of traffic in and around the Property during the time of construction are an issue to be addressed during the construction of the Project. Redeveloper herein commits to exert commercially reasonable efforts to minimize the traffic effects of the Project upon the surrounding neighborhoods during construction.

Section 8.4 Rodent, Insect and Animal Control. Redeveloper will take all commercially reasonable steps necessary to minimize and control the migration of rodents, insects, or other animals from the Property during the construction of the Project. Redeveloper will undertake to provide controls in accordance with all Applicable Laws and other construction standards such that the issue of rodent, insect and animal control is reasonably addressed prior to the Commencement of construction. Redeveloper agrees to coordinate this effort with the Borough's Department of Health.

Section 8.5 Illumination, Noise, Pollution or Damage. Redeveloper is mindful of the size of the Project and the potential effects that the construction of such an undertaking may have on the surrounding communities during construction. Therefore, Redeveloper agrees that it will take all steps reasonably necessary to minimize the passage of excessive or unwarranted illumination, noise or pollution into the surrounding communities during construction. Redeveloper shall take measures necessary to ensure that the improvements outside of the perimeter of the Property shall not be damaged or disturbed during construction. To the extent any damage or disturbance occurs outside of the perimeter of the Property during Redeveloper's construction activities, Redeveloper shall repair or replace such damage or disturbance to its original condition at its sole cost and expense. Redeveloper shall be bound by any conditions imposed by the Planning Board, which has jurisdiction with respect to illumination issues related to the Project and will address the issue in the context of review of site plan applications.

Section 8.6 Maintenance and Landscaping. During construction but not during demolition and clearing of the Property, Redeveloper shall keep the Property free from any substantial accumulation of debris or waste materials. Following completion of construction, Redeveloper will be bound by any conditions imposed by the Planning Board, which has jurisdiction with respect to maintenance and landscaping issues related to the Project and will address the issue in the context of review of site plan applications.

Section 8.7 Speculative Development. Redeveloper represents its undertakings pursuant to this Agreement are for the purpose of redevelopment of the Property and not for speculation in land holding. Redeveloper shall not use the Property, or any part thereof, as collateral for an unrelated transaction.

Section 8.8 Affordable Housing Requirement. Pursuant to the Borough’s affordable housing ordinance Section 89-13B.(1)(d) and Section 6.1.4 of the Redevelopment Plan, the Project is required to include a fifteen percent (15%) affordable housing set-aside for rental units, which equates to 2.1 Affordable Units, such obligation to be satisfied by (a) the inclusion in the Project of two (2) Affordable Units for rental and (b) either (i) payment-in-lieu of construction of a one-tenth portion of an Affordable Unit; or (ii) if the Borough has adopted an ordinance governing the making of a payment in lieu of constructing fractional Affordable Units, then the one-tenth portion of an Affordable Unit shall be addressed pursuant to said ordinance. The two (2) rental Affordable Units created in this Project shall comply with UHAC, applicable COAH affordable housing regulations, any applicable order of the Court, and other Applicable Laws.

(a) The Affordable Units shall remain as such for a period of at least thirty (30) years (“Deed Restriction Period”) so that the Borough may count the units against its obligations to provide affordable rental housing. This obligation includes, but is not limited to, the Redeveloper’s obligation to comply with UHAC bedroom distribution requirements, income split requirements, pricing requirements, affirmative marketing requirements, candidate qualification and screening requirements, and deed restriction requirements. Redeveloper shall have the obligation to pay all costs associated with properly deed restricting the Affordable Units in accordance with UHAC and other applicable laws for the Deed Restriction Period. The form of deed restriction to be recorded against the Property with respect to the Affordable Units shall be in substantially the form of Exhibit E2 to UHAC (“Mandatory Deed Restriction for Rental Projects”) and be submitted to the Borough for approval prior to recordation.

(b) To the extent possible, Affordable Units shall be integrated with the market rate units. The bedroom distribution and distribution of low and moderate income Affordable Units shall be in compliance with COAH’s Second Round substantive regulations, N.J.A.C. 5:93-1.1 et seq., , or as approved by the Special Master and the Court.

(c) The UHAC affordability controls shall be administered and enforced by an administrative agent (the “Administrative Agent”). The Borough shall either (i) act as Administrative Agent itself; (ii) select the Housing Affordability Service in the Department of Community Affairs (“DCA”) as Administrative Agent; or (iii) select an experienced private entity (which, with the consent of Redeveloper, may be the Redeveloper itself) that must be approved by the Division of Housing in DCA, COAH or HMFA, as applicable, pursuant to UHAC. If the Borough selects the Redeveloper to act as Administrative Agent (with the consent of Redeveloper), the Borough and Redeveloper shall enter into a written agreement in substantially the form attached hereto as **Exhibit G**. Redeveloper and the Administrative Agent shall work with the Borough and the Borough’s Municipal Housing Liaison and/or Administrative Agent regarding any affordable housing monitoring requirements imposed by COAH or the Court.

(d) The Parties agree that it is their intention that credit for the Affordable Units to be constructed by Redeveloper will be applied against the affordable housing obligations assigned to the Borough by the Court.

(e) Upon receipt of written notice from the Borough, or the Borough's Municipal Housing Liaison and/or Administrative Agent, Redeveloper shall provide detailed information concerning the Redeveloper's compliance with UHAC and other Applicable Laws within thirty (30) days.

(f) Subject to the Project Schedule and Section 2.2 of this Agreement, the Borough may seek Court approval to ensure that this Agreement is deemed to be fair and reasonable to low and moderate income households by way of a properly noticed Fairness Hearing and/or a Compliance Hearing. The inability of the Borough to obtain a judgment of compliance and repose or other form of Court approval shall not invalidate this Agreement, delay the Project Schedule or the Parties' implementation of this Agreement.

ARTICLE IX INSURANCE

Section 9.1 Insurance Required.

(a) At all times during the construction of the Project, Redeveloper shall maintain commercial general liability insurance, naming the Borough as an additional insured, insuring the Borough against losses, costs, liabilities, claims, causes of action and damages for bodily injury and property damage on all property in the Property or related to the construction thereon, in the amount of at least One Million Dollars (\$1,000,000.00) primary and Five Million Dollars (\$5,000,000.00) excess combined single limit coverage. Such insurance shall include blanket contractual liability coverage. All such policies shall be written to apply to all bodily injury, property damage, personal injury and other covered loss, including, but not limited to, claims of subcontractors, however occasioned, occurring during the policy term, shall be endorsed to add the Borough as an additional insured, and to provide that such coverage shall be primary and that any insurance maintained by the Borough shall be excess insurance only. Such coverage shall be endorsed to waive the insurer's rights of subrogation against the Borough.

(b) At all times during the construction of the Project, Redeveloper shall maintain Comprehensive Automobile Liability Insurance covering all owned, hired and non-owned vehicles with at least the following limits of liability: Bodily Injury Liability and Property Damage Liability in the amount of at least One Million Dollars (\$1,000,000.00) primary and Two Million Dollars (\$2,000,000.00) excess combined single limit coverage.

(c) Prior to the Commencement of the construction of the Project Improvements, Redeveloper shall furnish or cause to be furnished to the Borough duplicate originals of Builder's Risk Insurance for the benefit of Redeveloper (subject to the interests of any Holder), during the term of construction, sufficient to protect against loss or damage resulting from fire and lightning, the standard extended coverage perils, vandalism, and malicious mischief. The limits of liability will be equal to one hundred percent (100%) of the replacement cost (to current building code) of the applicable Project Improvements, including items of labor and materials connected therewith, whether in or adjacent to the structure(s) insured, and materials in place or to be used as part of the permanent construction.

(d) Upon request, Redeveloper shall also furnish or cause to be furnished to the Borough evidence satisfactory to the Borough that Redeveloper and any contractor with whom it has contracted for the construction of the Project Improvements carries workers' compensation insurance as required by law, and an employer's liability insurance endorsement with customary limits, and shall be endorsed with a waiver of subrogation clause for the Borough.

(e) All insurance policies required by this Section shall be obtained from insurance companies licensed in the State of New Jersey and rated at least A in Best's Insurance Guide or such lesser rated provider that is proposed by Redeveloper and is reasonably acceptable to the Borough.

(f) All insurance policies required by this Section shall be non-assignable and shall contain language to the effect that (i) the policies are primary and noncontributing with any insurance that may be carried by the Borough, (ii) the policies cannot be canceled or materially changed except after thirty (30) days prior written notice by the insurer to the Borough, and (iii) the Borough shall not be liable for any premiums or assessments. All such insurance shall have deductibility limits reasonably satisfactory to the Borough and shall contain cross liability endorsements. Satisfactory evidence of such insurance shall be provided to Borough prior to the Commencement of Construction.

(g) Redeveloper's obligation to maintain insurance pursuant to, and in accordance with, this Section 9.1 shall terminate upon issuance of a Certificate of Completion with respect to the Project.

ARTICLE X INDEMNIFICATION

Section 10.1 Redeveloper's Indemnity.

(a) Redeveloper covenants and agrees, at its sole expense, to pay and to indemnify, protect, defend and hold the Borough and its employees, officers and agents (the "Borough Indemnified Parties") harmless from and against all Claims resulting from or in any way connected with the acquisition, condemnation, condition, use, possession, conduct, management, planning, design, construction, or installation, of the Project on the Property, or other cause of action arising from the nexus of the Borough to Redeveloper as a result of this Redevelopment Agreement or the Financial Agreement, including but not limited to, the death of any person or any accident, injury, loss, and damage whatsoever caused to any person or to the property of any person that shall occur on the Property and that, with respect to any of the foregoing, are directly related to or resulting from any negligence or willful misconduct of Redeveloper, its agents, servants, employees, or contractors.

(b) In any situation in which the Borough Indemnified Parties are entitled to receive and desire defense and/or indemnification by Redeveloper, the Borough Indemnified Parties shall give prompt notice of such situation to Redeveloper. Failure to give prompt notice to Redeveloper shall not relieve Redeveloper of any liability to indemnify the Borough Indemnified Parties, unless such failure to give prompt notice materially impairs Redeveloper's ability to defend. Upon receipt of such notice, Redeveloper shall resist and defend any action or

proceeding on behalf of the Borough Indemnified Parties, including the employment of counsel reasonably acceptable to the Borough Indemnified Parties, the payment of all expenses and the right to negotiate and consent to settlement. All of the Borough Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such separate counsel shall be at the expense of the indemnified party unless the employment of such counsel is specifically authorized in advance by Redeveloper, provided, however, that if the defense of such action is assumed by Redeveloper's insurance carrier, employment of such separate counsel by the Borough Indemnified Parties shall be at the sole discretion of such carrier, as provided in its endorsement of insurance. Redeveloper shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of Redeveloper or if there is a final judgment against Redeveloper in any such action, Redeveloper shall indemnify and hold harmless the Borough Indemnified Parties from and against any loss or liability by reason of such settlement or judgment for which the Borough Indemnified Parties are entitled to indemnification hereunder.

(c) Notwithstanding anything to the contrary in this Article X, Redeveloper's indemnity shall not extend to any claims if caused by or as a result of the gross negligence, unlawful conduct or willful misconduct of the Borough, Borough Representatives, or their respective employees, officers or agents.

Section 10.2 Survival of Indemnity. The provisions of this Article X shall survive the termination of this Redevelopment Agreement due to an Event of Default by the indemnifying Party and shall exist until such time as Redeveloper's covenants under the Declaration are discharged as a result of the recording of a Certificate of Completion; provided, however, that until such time, such indemnity shall be binding on Redeveloper itself, each successor in interest to the Project, the Property, or any part thereof, and each party in possession or occupancy, only for such period as Redeveloper or such successor or party shall have title to the Property, the Project Improvements or any part thereof. Notwithstanding the foregoing, with respect to events that occur prior to the issuance of a Certificate of Completion for which the Borough Indemnified Parties would be entitled to indemnification pursuant to this Article X, Redeveloper's obligations in this Article X shall survive the issuance of a Certificate of Completion.

ARTICLE XI RESTRICTIONS ON TRANSFER

Section 11.1 Prohibition Against Transfers. Redeveloper recognizes the importance of the Project to the general welfare of the community and that the identity of Redeveloper and its qualifications are critical to the Borough in entering into this Redevelopment Agreement. The Parties acknowledge and agree that a change in ownership of Redeveloper from that which is noted in **Exhibit D** attached hereto that results in a change with respect to control of Redeveloper is, for practical purposes, a transfer or disposition of the Project then owned by Redeveloper.

Except for Permitted Transfers, prior to the issuance of the Certificate of Completion, Redeveloper shall not make any Transfers without the prior written consent of the Borough,

which consent shall not be unreasonably withheld, conditioned or delayed, provided, however, that these restrictions shall not apply following the issuance of the Certificate of Completion.

Section 11.2 Permitted Transfers. Redeveloper, without violating the provisions of Section 11.1 hereof, may effect the following Transfers (“Permitted Transfers”), without the necessity of further action by the Borough, provided that the requirements set forth in Section 11.3 have been satisfied:

(a) security for, and only for, the financing necessary to enable Redeveloper to perform its obligations under this Redevelopment Agreement with respect to the Completion of the Project Improvements and any other purpose authorized by this Redevelopment Agreement;

(b) a mortgage or mortgages and other liens and encumbrances (including mechanic’s liens) for the purposes of financing the acquisition, development, construction and marketing of the Project;

(c) utility and other development easements;

(d) environmental covenants and restrictions imposed by a regulatory agency as a condition of any permit or approval;

(e) the Transfer, in the aggregate, of less than ten percent (10%) of the ownership interest of Redeveloper;

(f) any leasing or sale of a unit within the Project, in the ordinary course of business, provided that the occupancy under such lease or closing on such sale occurs following the issuance of a Certificate of Occupancy as to the unit;

(g) any contract or agreement with respect to any of the foregoing exceptions.

Section 11.3 Notice of Permitted Transfers. Except as further set forth below, with respect to any Permitted Transfers, Redeveloper shall provide to the Borough written notice thereof not later than twenty (20) days following such Permitted Transfer, including a description of the nature of such Permitted Transfer, and the name(s) and address(es) of the transferee and any parties, individuals and/or entities comprising such transferee. In connection with a Permitted Transfer involving a ground lease, purchase option agreement, contract of sale or conveyance to an urban renewal entity, at closing thereon, Redeveloper shall cause the transferee to execute such documentation as is reasonably requested by the Borough in order to assure that the transferee has assumed all of Redeveloper’s obligations under this Redevelopment Agreement as to the Property and/or Project Improvements, or any portion thereof (if Redeveloper’s right, title and interest in the Property and/or Project Improvements is being transferred). Redeveloper shall exercise diligent efforts with respect to the provisions of any documentation relating to the Permitted Transfer as the Borough may reasonably request. With respect to Permitted Transfers involving a ground lease, purchase option agreement, contract of sale or conveyance to an urban renewal entity, Redeveloper shall provide to the Borough written notice thereof no less than twenty (20) days prior to such Permitted Transfer, including a description of the nature of such Permitted Transfer, and the name(s) and address(es) of the

transferee and any parties, individuals and/or entities comprising such transferee. Further, with respect to those Permitted Transfers listed in Section 11.2, the above 20-day notice shall not be required; however, a report on status of leasing and sales shall be provided to the Borough at least every sixty (60) days until a Certificate of Completion for the entire Project has been issued. Redeveloper shall not have the right to carry out a Permitted Transfer if an Event of Default has occurred or if there is a breach by Redeveloper hereunder that, if uncured, would give rise to an Event of Default.

Section 11.4 Transfers Void. Any transfer by Redeveloper in violation of this Redevelopment Agreement shall be a Redeveloper Event of Default and shall be null and void ab initio. Such default shall entitle the Borough to seek all remedies available under the terms hereof, including termination of this Redevelopment Agreement, and Borough may also seek equitable relief to cause the reversal of the transfer. The Declaration shall contain a restriction against Transfers as set forth in Section 11.1 and, in addition, shall provide that in the event of any attempted transfer in violation of the restriction in Section 11.1, the Borough shall be entitled to the ex parte issuance of an injunction restraining such Transfer, and the recovery of reasonable legal fees and related expenses of the Borough in connection with any such legal action. Upon the recording of the Declaration in the Office of the Middlesex County Clerk, the provision affording such injunctive relief shall have the same force and effect as a Notice of Lis Pendens.

ARTICLE XII EVENT OF DEFAULT; REMEDIES

Section 12.1 Events of Default. Either of the Parties shall have the right to declare the other Party in default of this Agreement if any of the following events (each an “Event of Default”) occur:

(a) Subject to the tolling and other provisions provided by Section 2.4, a material failure of either Party to substantially observe and perform any covenant, condition, representation, warranty or agreement hereunder and continuance of such failure for thirty (30) days after receipt by the defaulting party of a written notice of default (the “Default Notice”) from the non-defaulting party specifying in sufficient detail, accompanied by any relevant documentation therefore, of (i) the nature and extent of such failure, (ii) what action is required to remedy such default and (iii) requesting that such failure be remedied; provided, however, if the breach of any such covenant, condition, representation, warranty or agreement is one which cannot be completely remedied within thirty (30) days after such written notice has been given, it shall not be an Event of Default as long as the defaulting Party has commenced the cure within the thirty (30) day period after receipt of a Default Notice and is proceeding with due diligence to remedy the same as soon as practicable but in no event later than the later of: (x) one hundred twenty (120) days after such written notice, or (y) a date agreed to by the Parties to reach compliance; or

(b) Subject to the tolling and other provisions provided by Section 2.4, Redeveloper materially defaults in or materially violates obligations with respect to design, development and construction of the Project in accordance with this Redevelopment Agreement, the Redevelopment Plan, Governmental Approvals or Applicable Law, and any such default, or

violation shall not be cured, ended or remedied within sixty (60) days after written demand by the Borough to do so, provided, however, if the default or violation is one which cannot be completely remedied within sixty (60) days after such written notice has been given, it shall not be an Event of Default as long as Redeveloper has commenced the cure within the sixty (60) day period after receipt of a Default Notice and is proceeding with due diligence to remedy the same as soon as practicable but in no event later than the later of: (x) one hundred twenty (120) days after such written notice, or (y) a date agreed to by the Parties, to reach compliance; or

(c) Subject to the tolling and other provisions provided by Section 2.4, Redeveloper's default results in an unauthorized Material Adverse Change of the Project Schedule, as the same may be modified or extended from time to time in accordance with this Agreement, or shall abandon or substantially suspend construction work for a period of sixty (60) consecutive days and any such default, or violation shall not be cured, ended, or remedied within sixty (60) days after written demand by the Borough to do so, provided, however, if the default or violation is one which cannot be completely remedied within ninety (90) days after such written notice has been given, it shall not be an Event of Default as long as Redeveloper has commenced the cure within the sixty (60) day period after receipt of a Default Notice and is proceeding with due diligence to remedy the same as soon as practicable but in no event later than the later of: (x) one hundred twenty (120) days after such written notice, or (y) a date agreed to by the Parties, to reach compliance; or

(d) Redeveloper causes a Transfer or assignment prohibited under this Agreement and any such default, or violation shall not be cured, ended, or remedied within forty-five (45) days after written demand by the Borough to do so; or

(e) Redeveloper or its successor in interest (except for third parties, if any, to which a portion of the Project has been conveyed in the ordinary course of business) fails to pay any real estate taxes, assessments, payments in lieu of taxes on the Property or any part thereof prior to the imposition of any penalty therefore, or shall place on the Property any encumbrance or lien unauthorized by this Agreement and such real estate taxes payments in lieu of taxes, encumbrance or lien have not been paid, removed or discharged or provision satisfactory to the Borough made for such payment, removal or discharge within sixty (60) days after written demand by the Borough to do so; or

(f) (i) Subject in all cases to Applicable Law, Redeveloper shall have applied for or consented to the appointment of a custodian, receiver, trustee or liquidator of all or a substantial part of its assets; (ii) a custodian shall have been legally appointed with or without consent of Redeveloper; (iii) Redeveloper (1) has made a general assignment for the benefit of creditors, or (2) has filed a voluntary petition in bankruptcy or a petition or an answer seeking an arrangement with creditors or has taken advantage of any insolvency law; (iv) Redeveloper has filed an answer admitting the material allegations of a petition in any bankruptcy or insolvency proceeding; (v) Redeveloper shall take any action for the purpose of effecting any of the foregoing; (vi) a petition in bankruptcy shall have been filed against Redeveloper and shall not have been dismissed or stayed for a period of one hundred twenty (120) consecutive days from the date of filing; (vii) an order for relief materially affecting the rights of the Borough under this Redevelopment Agreement shall have been entered with respect to or for the benefit of

Redeveloper, under the United States Bankruptcy Code; (viii) an order, judgment or decree shall have been entered, without the application, approval or consent of Redeveloper, by any court of competent jurisdiction appointing a receiver, trustee, custodian or liquidator of Redeveloper, or a substantial part of its assets and such order, judgment or decree shall have continued unstayed and in effect for any period of ninety (90) consecutive days; or (ix) Redeveloper shall have suspended the transaction of its ordinary business activities for more than ninety (90) consecutive days.

(g) A representation made by Redeveloper in Article V was false on the Effective Date.

(h) Redeveloper violates a covenant set forth in Article VI, subject to the notice and cure periods set forth above, to the extent applicable.

Section 12.2 Remedies Upon Default; Termination.

(a) Upon an Event of Default by the Borough which is continuing and remains uncured beyond any applicable notice and cure dates, Redeveloper may take whatever action at law or in equity, as may appear necessary or desirable to enforce the performance or observance of any rights under this Agreement, including an action for specific performance or damages. Further, Redeveloper shall have the right to terminate this Agreement upon sixty (60) days' written notice to the Borough, in which event the Declaration shall be null and void and the Borough shall discharge same of record.

(b) Upon an Event of Default by Redeveloper which is continuing and remains uncured beyond applicable notice and cure dates, the Borough may terminate this Agreement and/or take whatever action at law or in equity, as may appear necessary or desirable to enforce the performance or observance of any rights under this Agreement, including an action for specific performance or damages. Further, the Borough shall have the right to terminate this Agreement upon sixty (60) days' written notice to Redeveloper, provided, however, that upon issuance of any Certificate of Completion, the Borough shall no longer hold any right to terminate this Agreement for an Event of Default or otherwise with regard to the portion(s) of the Project for which a Certificate of Completion has been issued.

(c) In the event that either Party exercises its right to termination pursuant to Section 3.1(d) and (e) and Section 5.3, the terminating Party shall provide the other Party with not less than thirty (30) days prior written notice of such election. Within thirty (30) days of such termination: (i) Redeveloper shall pay to the Borough all outstanding Borough Costs; and (ii) upon full payment of all Borough Costs, the Borough shall return the balance of the amounts, if any, in the Escrow Account. In such case neither Party shall have any further rights, claims or obligations against the other Party arising out of this Redevelopment Agreement.

Section 12.3 Force Majeure. Performance by either Party hereunder shall not be deemed to be in default where delays or failure to perform are the result of the following acts, events or conditions or any combination thereof that has had or may be reasonably expected to have a direct, material, adverse effect on the rights or obligations of the Parties to this

Redevelopment Agreement; provided, however, that such act, event or condition shall be beyond the reasonable control of the Party relying thereon as justification for not performing an obligation or complying with any condition required of such Party under the terms of this Redevelopment Agreement (“Force Majeure”):

(a) An act of God, lightning, blizzards, hurricane, tornado, earthquake, acts of public enemy, war (whether or not declared), terrorism, blockade, insurrection, riot or civil disturbance, sabotage or similar occurrence, but not including reasonably anticipated weather conditions for the geographic area of the Project, other than those set forth above;

(b) A landslide, fire, explosion, flood or release of nuclear radiation not created by an act or omission of either Party;

(c) The order, judgment, action or inaction and/or determination of any Governmental Body (other than the Borough when acting in conformance with this Redevelopment Agreement) with jurisdiction within the Borough, excepting decisions interpreting federal, State and local tax laws generally applicable to all business taxpayers, adversely affecting the construction of the Project; provided, however, such order, judgment, action and/or determination shall not be the result of the willful, intentional or negligent action or inaction of the Party relying thereon and that neither the contesting of any such order, judgments, action and/or determination, in good faith, nor the reasonable failure to so contest, shall constitute or be construed as a willful, intentional or negligent action or inaction by such party;

(d) The suspension, termination, interruption, denial or failure of or delay in renewal or issuance of any other Governmental Approval, provided, however, such suspension, termination, interruption, denial or failure of or delay in renewal or issuance shall not be the result of the willful, intentional or negligent action or inaction of the Party relying thereon and that neither the contesting of any such suspension, termination, interruption, denial or failure of renewal or issuance, in good faith, nor the reasonable failure to so contest, shall constitute or be construed as a willful, intentional or negligent action or inaction by such Party; provided further that delay in issuance of a Governmental Approval resulting from Redeveloper’s failure to make an administratively complete submission for a Governmental Approval shall not be an event of Force Majeure;

(e) Strikes, lockouts, slowdowns, labor unrest, or similar labor action by trade unions or any of their members, equipment manufacturers, suppliers of material and/or transporters of same; or

(f) Delays of subcontractors due to any of the foregoing such causes, and actions or inactions by any federal, State or local governmental or quasi-governmental authority, including, but not limited to, utility providers, with respect to Governmental Approvals or the development of the Project, affecting the rights or obligations of the Redeveloper or the Borough hereunder, court orders, laws, rules, regulations, moratoria or orders of governmental or public agencies, bodies and authorities.

Section 12.4 Remedies Cumulative. No remedy conferred by any of the provisions of this Redevelopment Agreement is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedies shall not constitute a waiver of the right to pursue other available remedies.

Section 12.5 Litigation Costs. In the event that a Party successfully pursues an action to enforce any remedy provided in this Article XII that Party shall be entitled to seek payment by the other Party of all reasonable costs and expenses, including attorney fees, incurred in connection with such action.

Section 12.6 Mitigation. The Parties shall act reasonably to mitigate any damages that may be incurred as the result of an Event of Default hereunder.

Section 12.7 Survival of Termination. The provisions of this Article XII shall survive the termination of this Redevelopment Agreement as a result of an Event of Default by Redeveloper.

Section 12.8 Use of Documents. Redeveloper hereby agrees that it shall provide to the Borough copies of all documents, reports, studies and analyses prepared by it or on its behalf in connection with the Project. Upon termination of this Agreement, Redeveloper hereby agrees that the Borough has the right to all such documents, including but not limited to the Governmental Applications and Governmental Approvals, without cost to the Borough.

Section 13.2 Conflict of Interest. No member, official or employee of the Borough shall have any direct or indirect interest in Redeveloper or this Agreement, nor participate in any decision relating to this Agreement that is prohibited by law.

Section 13.3 No Improper Consideration For Agreement. Redeveloper warrants it has not paid or given, and will not pay or give, any third person any money or other consideration for obtaining this Agreement, other than normal costs of conducting business and costs of professional services such as architects, engineers, financial consultants and attorneys. Redeveloper and the Borough warrant that redeveloper has not paid or incurred any obligation to pay any officer or official of the Borough, any money or other consideration for or in connection with this Agreement, nor has the Borough or any officer or official of the Borough has not received any such payment or accepted any such obligation.

Section 13.4 Non-Liability of Officials and Employees of the Borough. No member, official, or employee of the Borough shall be personally liable to Redeveloper, or any successor in interest, in the event of any default or breach by the Borough, or for any amount which may

become due to Redeveloper or its successor, or on any obligation under the terms of this Agreement, unless such member, official, or employee shall have willfully acted unlawfully, in bad faith or in gross negligence.

Section 13.5 Non-Liability of Officials, Members and Employees of Redeveloper. No member, officer, shareholders, director, partner, or employee of Redeveloper, and no member, officer, shareholders, director, partner or employee of the members of Redeveloper or the members of Redeveloper shall be personally liable to the Borough, or any successor in interest, in the event of any default or breach by Redeveloper or for any amount which may become due to the Borough, or their successors, on any obligation under the terms of this Agreement, unless such member, officer, shareholder, director, partner, or employee shall have willfully acted in bad faith or in gross negligence.

Section 13.6 Inspection of Books and Records. The Borough shall have the right during normal business hours and subject to reasonable advance notice (but not less than fifteen (15) business days and not more frequently than once every quarter), and following execution of a confidentiality agreement reasonably satisfactory to Redeveloper, to inspect at Redeveloper's place of business, the books and records of Redeveloper pertinent to the purposes of this Agreement, including but not limited to construction contracts, books and records, leases, insurance policies, and agreements, at a time and in a manner as to not unreasonably interfere with the business operations of the Redeveloper.

Section 13.7 Modification of Agreement. No modification, waiver, discharge, or amendment of this Agreement shall be valid unless the same is in writing, duly authorized, and signed by Redeveloper and the Borough.

Section 13.8 Severability. To the extent that any article, section, subsection, clause, provision, or term of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of any such article, section, subsection, clause, provision, or term of this Agreement or the application of the same to parties or circumstances other than those to which it is held invalid or unenforceable shall not be affected thereby and each remaining article, section, subsection, clause, provision, or term of this Agreement shall be valid and enforceable to the fullest extent permitted by law, provided that no such severance shall serve to deprive either of the Parties of the enjoyment of its substantial benefits under this Agreement.

Section 13.9 Successors Bound. This Agreement shall be binding upon the respective Parties hereto and their successors and assigns.

Section 13.10 Governing Law. This Agreement shall be governed by and construed by the laws of the State. Any legal action filed in this matter shall be heard in the Superior Court of New Jersey, Middlesex County Vicinage.

Section 13.11 Borough Approvals. All approvals or disapprovals required by the Borough shall, unless otherwise stated herein, be valid if given in writing by the Borough Representative or her authorized designee.

Section 13.12 Counterparts. This Agreement may be executed in counterparts. All such counterparts shall be deemed to be originals and together shall constitute one and the same instrument.

Section 13.13 Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto and supersedes all prior oral and written agreements between the parties with respect to the subject matter hereof.

Section 13.14 Waiver. No waiver made by any Party with respect to any obligation of any other Party under this Agreement shall be considered a waiver of any other rights of the Party making the waiver beyond those expressly waived in writing and to the extent thereof.

Section 13.15 Counting of Days; Saturday, Sunday, or Holiday. The word “days” as used in this Agreement shall mean calendar days unless a contrary intention is stated, provided that if the final date of any period provided herein for the performance of an obligation or for the taking of any action falls on a day other than a Business Day, then the time of such period shall be deemed extended to the next Business Day. WHEREAS, the Borough Council on August 9, 2004, adopted an ordinance approving and adopting the Dunellen Downtown Redevelopment Plan Phase I, which was thereafter

WHEREAS, the Redevelopment Agreement requires that such covenants be memorialized in a Declaration of Covenants and Restrictions and said declaration be recorded in the office of the Clerk of Middlesex County.

NOW THEREFORE, IT IS AGREED AS FOLLOWS:

Section 1. Defined terms not otherwise defined herein shall have the meaning assigned to such terms in that certain Redevelopment Agreement dated as of _____, 2021 by and between Borough and Redeveloper.

(D) Redeveloper shall not seek any material changes in the number and distribution of residential units and/or any other changes that would cause the Site Plan to become nonconforming under the Redevelopment Plan, without the Borough's written approval, which approval shall not be unreasonably withheld, conditioned or delayed.

(E) Redeveloper shall use diligent efforts to obtain all Governmental Approvals and Third Party Approvals requisite to the construction, development, use and occupancy of the Project and Remediation of the Property, if any, including evidence reasonably satisfactory to the Borough that the Project is in compliance with all Applicable Laws, including the Environmental Laws.

(J) Redeveloper shall not knowingly employ, hire or otherwise involve in the Project any Person that has previously been disbarred, suspended or otherwise ruled unable to participate in the process of bidding for, and being awarded, public contracts.

(K) Redeveloper shall promptly notify the Borough of any material adverse change in its financial condition from the information provided to the Borough by Redeveloper indicating Redeveloper's financial capability to develop, finance and construct the Project in furtherance of the Borough's consideration in designating CommuniPaw Associates, LLC as Redeveloper.

(L) Redeveloper shall make all payments in satisfaction of Redeveloper's financial obligations as set forth in the Redevelopment Agreement, including but not limited to payment of the Borough Costs.

(M) Redeveloper shall repair and/or restore as necessary any internal roadway leading to or from the Project that is damaged or impacted during construction, subject to the inspection, before a Certificate of Completion is issued.

Section 3. It is intended and agreed that the covenants and restrictions set forth in Section 2 of this Declaration shall run with the land and that they shall, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in the Redevelopment Agreement and this Declaration, be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by, the Borough, its successors and assigns, and any successor in interest to the Property, or any part thereof, against Redeveloper, its successors and assigns and every successor in interest therein, and any person in possession or occupancy of the Property or any part thereof. The covenants and restrictions herein shall be binding on Redeveloper itself, each successor in interest to Redeveloper and each party in possession or occupancy, respectively, only for such period as Redeveloper or such successor or party shall be in possession or occupancy of the Property, the Project or any part thereof.

Section 4. In amplification, and not in restriction, of the provisions of Section 2 of this Declaration, it is intended and agreed that the Borough and its successors and assigns shall be deemed beneficiaries of the covenants and restrictions set forth in the Redevelopment Agreement and this Declaration, both for and in their own right but also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such covenants and restrictions have been provided. Such covenants and

restrictions shall run in favor of the Borough for the entire period during which such covenants and restrictions shall be in force and effect, without regard to whether the Borough has at any time been, remains, or is an owner of any land or interest therein. The Borough shall have the right, in the event of any material breach of any such covenant or restriction, to exercise all the rights and remedies and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breach of covenant or restrictions, to which it or any other beneficiaries of such agreement or covenant may be entitled.

Section 5. Upon redevelopment of the Property and completion of the Project, the covenants contained herein shall terminate and this Declaration will be discharged of record upon Redeveloper's receipt of a Certificate of Completion and termination of the Redevelopment Agreement pursuant to Section 2.2 thereof for the Project, provided, however, that the covenants in Section 2(I) shall remain in effect without limitation as to time.
