COMMISSION ANNOUNCEMENTS

Commissioner Olsen thanked Commissioner Cline for being Chairman this past year.

Commissioner Cline asked if anyone knew where the automated external defibrillator (AED) was located at City Hall, and there was no response. He brought it up because recently there was an incident where it was needed, and it saved a life. He said that it was located just outside the City Council Chambers and said we should all be aware of its location just in case of an emergency.

Commissioner Saenz thanked Commissioner Cline for his exceptional services as Chairman this past year.

Vice Chairman Morfin thanked Commissioner Cline and thanked him for welcoming him and to the other commissioners as well. He also congratulated Chairman Massey and thanked everyone for the nomination.

Chairman Massey thanked former Chairman Cline for his former leadership and looks forward to stepping into his shoes.

Mr. Garcia congratulated the new Chairman and Vice Chairman. He also said that there will be an item for next month's meeting.
