CITY OF LA MIRADA
Memorial Bench
PROGRAM

LA MIRADA
Memorial Bench
PROGRAM

The City of La Mirada's Memorial Bench Program provides an opportunity to pay tribute to La Mirada residents who had a positive impact on the community and have since passed away. Family and friends may purchase a bench in one of La Mirada's beautiful parks. The parks offer a scenic and peaceful setting to reminisce, reflect, and rejoice in the life of a loved one.

Once a preferred location is selected, a completed application is required to be submitted. Upon receipt of the application, the City will review the applicant's preferred park and bench location to determine if the site is appropriate and accessible.

- Applicants are required to submit a payment for purchasing and installing a memorial bench in order for the application to be processed. Checks and credit card payments will be accepted in person at La Mirada City Hall.
- Eligible parks: Creek Park, Frontier Park, Gardenhil Park, Neff Park, and Windermere Park.

- Applicants are reminded that La Mirada Regional Park is owned and maintained by Los Angeles County, and is not eligible under this program.
- The City will try to accommodate all bench requests, and reserves the right to limit locations, placement, and total number of memorial benches at any park.
