

Park City Women's Golf Association Nine Hole League By-Laws

The By-Laws of the Nine Hole Golf League are subject to review and revision as directed by the Board. The By-Laws will be available to the general membership via the web page. The Board of Directors consists of the board members on record at the start of the current season.

Section I – Responsibility of Members:

Members of the Park City Women's Golf Association Nine Hole league are expected to be familiar with the USGA Rules of Golf, the local course rules, standard golf etiquette and should conduct themselves according to these rules and conventions while participating in the League's programs.

League members must notify the Golf Course Pro Shop if the member or playing partner has to cancel a reservation for Tuesday league play. League members should routinely check the bulletin board at the Golf Course Pro Shop for League notices and events.

League members are responsible for creating a MemberSports account.

Section II – Handicap Index:

Members must maintain their current handicap index which should be computed according to the Utah Golf Association (UGA) system. To establish a handicap, a member must post a minimum of five (5) nine (9) hole game scores in the USGA GHIN (Golf Handicap Information Network) App. This App is available to members through mobile App Stores. The Handicap Index is dynamically changed by the UGA (Utah Golf Assoc.) as scores are entered into the GHIN App. Members are responsible for entering their golf scores into the GHIN app for the purpose of maintaining a current handicap index.

Section III – Dues:

League members will pay annual dues (currently \$50.00). The PCWGA's dues cover costs related to the League's programming. Members who have not paid their yearly dues and submitted a current membership form will not be allowed to sign up for League Tee Times or be eligible for weekly games/winnings. If a handicap has not yet been established, the player is allowed to play and record a score for handicap purposes but is not eligible to participate in the weekly contest.

Members who turn in a score card for the weekly game must also input their score into the GHIN app to maintain a current handicap index. Members are encouraged to put their scores into the GHIN app using the Hole-by-Hole option.

To be eligible to enter the August Challenge, a member must have played in two (2) weekly events on Tuesdays with other PCWGA Nine Hole Golf League members. In the event of multi-club memberships, the player must abide by all eligibility requirements of the PCWGA.
