3. Duration of the Special Tax

Parcels in the CFD will remain subject to the Special Tax in perpetuity.

If the Special Tax ceases to be levied, the City will direct the County Recorder to record a Notice of Cessation of Special Tax. Such notice will state that the obligation to pay the Special Tax has ceased and the lien imposed by the Notice of Special Tax Lien is extinguished. The Notice of

Cessation of Special Tax, in addition, will identify the book and page of the Book of Maps of Assessment and Community Facilities Districts where the map of the boundaries of the CFD is recorded.

4. Administrative Tasks

Tasks required of the Administrator are discussed below:

- a. Annual Special Tax Escalation. The Administrator shall increase the Maximum Annual Special Tax by the Tax Escalation Factor in each Fiscal Year following the Base Year.
- b. Assignment of the Maximum Annual Special Tax to Original Parcels. **Attachment 1** identifies the Assigned Maximum Annual Special Tax and Tax Zone for each Original Parcel at CFD formation, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. The Assigned Maximum Annual Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor's Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Special Tax to each Assessor's Parcel on a pro rata basis to all Assessor's Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor's Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor's Parcel, the Maximum Annual Special Tax shall equal the sum of the Assigned Maximum Annual Special Tax for all Large Lot Parcels in that Assessor's Parcel.
- c. Assignment of the Maximum Annual Special Tax to Annexation Parcels. If Parcels are annexed into the CFD after formation, the Maximum Annual Special Tax shall be assigned to these Annexation Parcels using the definitions in **Section 2** and the Maximum Annual Special Tax per Unit or Acre shown in **Attachment 2** for the assigned Tax Zone, as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Special Taxes under a new Tax Zone. **Attachment 1** shall be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable Special Taxes by Tax Zone. If new Maximum Annual Special Taxes are created, **Attachments 1** and **2** should be amended to reflect the Maximum Annual Special Taxes and Tax Zone(s) for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assigning the Maximum Annual Special Tax to Successor Parcels described in **Section 4.d**. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to the CFD, but otherwise shall not be required to pay any other charge or fee in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.
- d. Assignment of the Maximum Annual Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are created through recordation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Special Tax to new Successor Parcels. As necessary, the assignment of the Maximum Annual Special Tax to Successor Parcels should use the Maximum Annual Special Tax Rates for the Tax Zone within which the Original Parcel and Successor Parcel resides. As a result of each assignment of the

Maximum Annual Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be greater, than the Assigned Maximum Annual Special Tax for that Original Parcel or Successor Parcel.

1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Special Tax to Single-Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Special Tax to Single-Family Parcels. All references to Maximum Annual Special Taxes in the attachments are subject to application of the Tax Escalation Factor by the Administrator:
 - A. Multiply the Maximum Annual Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.1.d.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Special Tax for Affordable Units shown in **Attachment 2** to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 - D. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided **and** if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum Annual Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Maximum

Annual Special Tax is assigned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:

- A. Apportion the Assigned Maximum Annual Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
- B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
- C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
- D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Special Tax for Affordable Units shown in **Attachment 2** to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
- E. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels **and** if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum Annual Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
- F. For the Remainder Parcel or Parcels, identify the Maximum Annual Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Special Tax for all Single-Family Parcels created by the Subdivision, including

Single-Family Parcels with Affordable Units. Subtract the sum of the Maximum Annual Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

3. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Zone and Tax Category. For each Taxable Parcel created by Subdivision that includes Affordable Units, multiply the number of Affordable Units by the Tax per Unit for such Affordable Units.
 - C. Sum the Maximum Annual Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of Maximum Annual Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel subject to rezone or that is being Subdivided is greater than the sum of Maximum Annual Special Tax for each Taxable Parcel being created, increase Proportionately the Maximum Annual Special Tax per Unit or per Acre (excluding the Maximum Annual Special Tax for Affordable Units consistent with **Section 4.d.1.B**) on each Taxable Parcel such that the sum of Maximum Annual Special Tax for all Taxable Parcels equals the Maximum Annual Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Special Tax per Unit based on their Tax Category as shown in **Attachment 1**, as adjusted by the Tax Escalation Factor.

- f. Transfer of the Assigned Maximum Annual Special Tax from One Large Lot Parcel to Another. The Maximum Annual Special Taxes shown in **Attachment 1** were determined based on the Expected Land Uses for each Large Lot Parcel shown in **Attachment 1**. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording of a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the Finance Director, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to **Attachment 1** of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to affect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and **Attachment 1**. Before the transfer, the City may require a deposit from the requesting property owner for such costs.
- g. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is transferred to a private owner, it shall become subject to the Special Tax. The Maximum Annual Special Tax for the newly assigned Tax Category for such a Parcel is determined using the provisions of **Sections 4 and 5**.
- h. Taxable Parcels Acquired by a Public Agency A Taxable Parcel acquired by a public agency shall be reclassified as a Tax-Exempt Parcels and is no longer subject to the Special Tax levy.

5. Assignment of the Maximum Annual Special Tax

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in **Section 2**, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
 2. Each Parcel to be classified as a Developed Parcel, a Final Use Small Lot Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
- b. Identification of Tax Zones: Identify the Tax Zone within which each Taxable Parcel is located.
- c. Assignment of the Maximum Annual Special Tax to Taxable Parcels. The Maximum Annual Special Tax will be assigned to each Taxable Parcel by Tax Zone each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in **Section 4**.

6. Calculating Annual Special Taxes

The Administrator will compute the Annual Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in **Sections 4 and 5**. All calculations and steps described in this section shall be done for all areas within the CFD regardless of how many Tax Zones may exist. The Administrator then will determine the tax levy for each Taxable Parcel using the following process:

- a. Compute the Annual Costs using the definition of Annual Costs in **Section 2**.
- b. For all Taxable Parcels, calculate the Special Tax levy for each using the following steps:
 - Step 1: Compute 100 percent of the Maximum Annual Special Tax Revenue for all Developed Parcels.
 - Step 2: Compare the Annual Costs with the amount calculated in the previous step.
 - Step 3: If the Annual Costs are lower than the amount calculated in Step 1, decrease Proportionately the Maximum Annual Special Tax levy for each Developed Parcel until the revenue from the Special Tax levy equals the Annual Costs.
 - Step 4: If the Annual Costs are greater than the amount calculated in Step 1, increase Proportionately the Maximum Annual Special Tax levy for each Final Use Small Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Final Use Small Lot Parcels, if needed to fund Annual Costs.
 - Step 5: If the Annual Costs are greater than the amount calculated in Step 1 and Step 4, increase Proportionately the Maximum Annual Special Tax levy for each Small Lot Tentative Map Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Small Lot Tentative Map Parcels, if needed to fund Annual Costs.
 - Step 6: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, and Step 5, increase Proportionately the Maximum Annual Special Tax levy for each Large Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Large Lot Parcels, if needed to fund Annual Costs.
 - Step 7: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, Step 5, and Step 6, increase Proportionately the Maximum Annual Special Tax levy for each Undeveloped Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Undeveloped Parcels, if needed to fund Annual Costs.
- c. Levy on each Taxable Parcel the amount calculated above.
- d. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to **Section 8**, send it to the County Auditor requesting that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will not be sent later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to correct any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

7. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the Finance Director appealing the levy of the Special Tax. The Finance Director then will promptly review the appeal and, if necessary, will meet with the applicant. If the Finance Director verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the Finance Director may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in the CFD that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in the CFD, provided such amendment only affects such owner's land and does not reduce the total Maximum Annual Special Tax Revenue for the CFD.

8. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.
