

# Health Topics

EPA's mission is to protect human health and the environment, including protecting children's health <<https://epa.gov/children>>. Keep informed about EPA's research on product safety <<https://epa.gov/saferchoice>>, indoor air quality <<https://epa.gov/indoor-air-quality-iaq/protect-indoor-air-quality-your-home>>, food safety <<https://epa.gov/safepestcontrol/pesticides-and-food-healthy-sensible-food-practices>>, and more. Learn how you can keep yourself and your family healthy and safe.

## Staying Healthy and Safe

- Coronavirus (COVID-19) <<https://epa.gov/coronavirus-and-disinfectants>>
- Choosing safer products <<https://epa.gov/saferchoice>>
