Subject: Naming of a Private Drive

Mayor Carman,

The Trousdale County Emergency Communications District Board met at their regular quarterly meeting on Tuesday October 13, 2020. The Board voted to recommend to the County Commission the naming of a private drive located **west of Parker Branch Road, 1.365 miles north of Dixon Creek Road.**

The recommended name for this private drive is: **RAY LANE**

The primary reason for accurate assignment of an address is for emergency services to locate these homes, in the event of an emergency and someone calls 911.

When multiple homes are using the same private drive, it becomes difficult to accurately assign an address. In these instances, it is necessary to name a private drive. New 911 addresses will be assigned off of the newly named private drive.

There shall be no affect on the ownership, control, access, maintenance of the private drive or mail delivery.

When the private drive name is officially adopted by the County Commission, the residents and the Postmaster will be notified.

Should you have any questions, please contact me.

Sincerely,

Wayland Cothron
Chairman
