Park & Recreation Committee

April 28, 2022

Gregory called the Park & Recreation Committee to order at 6:00pm. In the Trousdale County Upstairs Courthouse.

Attendance:

The following attended Terry Gregory, Dwight Jewell, Beverly Atwood, Landon Gulley, Gary Claridy, Lonnie Taylor, Mayor, Shane Burton, Cliff Sallee PW Director AB, Scott Rivers, Richard Johnson

1. Review of minutes from March 03, 2022, 2nd by R. Johnson with amendments on page 3 colored mulch to \$100,000 all in favor.
2. **TCYF Proposal** – Scott Rivers, community proposal not just TCYF proposal. Multipurpose field, put bleachers and scoreboards up. Create a Youth Soccer League in town. If we do that it will keep kids in the community. Some don't want to play tackle- would like to start flag football in the spring. Ticket Booth – Smith, Trousdale, Jackson, etc. Spoke with a local guy out of Smithville.

Quote for Fencing lights, scoreboard, concrete bleachers, ticket booth, concession stand, \$260,000 bleachers \$350,000

Play Junior football, soccer, etc. with multipurpose field.

Would try to get sponsors to pay for the field.

Claridy: At end of t-ball field going out?

Rivers: Everything

Gulley: City map called for 2 multipurpose fields.

Rivers: Closest to the creek could move.

Gulley: Area where camp was this weekend was further up.

River: That was where I'd like to see it going horizontal instead of vertical.

Gulley: Who is this quote by?

Rivers: Would have to look it up?

Seat 600 on home side and seat 400 on the visitor's side.

Rivers: Before COVID we could have up to 500.

Mayor: Interesting proposal, like multiuse field.

Claridy: Any money left in CARES ACT?

Mayor: No, maybe some from the rescue funds. May can do a 50/50 group. Considering some that we will need to use for mental health, etc. Some funds that may can be used.

Claridy: Rivers do you have any givers?

Rivers: Within 1 year. Just TCYF could come up with \$50,000.

Haven't been able to banks but that's my next stop to see if they would donate a larger sum as a sponsor.

Taylor: Looking at talking to bank within a year.

Rivers: Want to go to them soon. If could get ½ of \$350,000 from banks to see if county wouldn't take care of the rest.

Claridy: Go if you can get match of \$175,000.

Rivers: It has been sometimes difficult to use High School Field.

Claridy: Don't see anything done this year. May need to look at it in July but would give you more time to collect funds and dates.

Rivers: Have power point more information in July to get the ball rolling.

Gregor: May 7th fundraiser

Rivers: \$15,000-\$2,000 to spend on helmets due to the growth in kids joining addition to that we will save. May 7th at the park at 10am will be a Family Fun Day. There will be bouncy houses, silent action, cake walk and music. 4P< there will be wrestling. \$10.00 admission all day.

Can purchase additional tickets for dunking booth, etc.

TCYF use to not have a board. I'm trying to get this more structured.
