MOTION CARRIED

- b. **Direct Deposit** – Chairman Fergusson advised that this is something we would like to do however the Hartsville/Trousdale County Employees payroll is currently being done on a current basis rather than accrued which would be required to do Direct Deposit and the hardship this might be on the employees to not receive a check for 2 weeks.

Mayor Chambers advised that current pay means time sheets are collected from employees on Wednesday and checks are given to them on Friday, accrued means the employee is paid 2 weeks after that time sheet is turned in. The problem would be employees not receiving a check for a whole month due to the 2 weeks to get to the accrued and 2 weeks to get paid. The only way they have seen to cover that gap would be to give the employees a bonus to cover that time frame.

We would also have to find a bank that could do the direct deposit which may require moving from Citizens Bank to Wilson Bank & Trust and Wilson Bank & trust would only be able to do the direct deposit if we were on an accrued verse current. They are also looking at moving to an electronic time sheet system perhaps thru a vendor.

Amy Thomas mentioned that the current pay period is Thursday thru Wednesday and would like to move it to Sunday thru Saturday. Commissioners expressed how they understood employees concerns however they wanted to move forward with this to the full County Commission.

Mayor Chambers expressed that the soonest it could be done would be July 1, 2021 and how will it be implemented. He asked the committee what they wanted pass it to the full commission and his office continue to work on further recommendations or pick a course of action and move forward. Mayor Chambers advised that he had brought it to the Executive committee earlier but was told no due to the cost. However, in 2015 the County Commission passed a resolution giving the Mayor the authority to put it into place whenever he or she chooses, and no action of a committee can override that action of the commission. Commission Jewell advised that this committee wanted the Mayors office to tell them the best way to get this done. The Mayor advised that his office's recommendation was to go from current to accrued work with the banks to set up the direct deposit whichever one it was Citizens or Wilson and pair with an electronic time keeping system and give all employees a bonus to cover the paycheck lapse. Amber Russell made the motion to proceed with Mayor Chambers recommendation. Seconded by Mary Ann Baker.

Discussion: Chairman Fergusson asked what the bonus would cost? Mayor Chambers advised around \$132,000.00.

Amy Thomas proposed that we do have funding from the Local Government support grant we could use if we wanted to implement this in next year's budget that would need to be approved by the County Commission.

Amber Russell made a motion to amend the motion to include the funding for the bonus would come from the Local Government Support Grant. Seconded by Coy Dickey.

Roll Call Vote – Yes – Bill Fergusson, Shane Burton, Coy Dickey, Amber Russell, Vickie Howard.

No – None.

Absent – Gary Walsh and Richard Johnson.

COMPENSATION STUDY

HARTSVILLE/TROUSDALE
COUNTY GOVERNMENT

BURRIS, THOMPSON & ASSOCIATES | 615.500.7931

SUMMARY OF FINDINGS & RECOMMENDATIONS

Burris, Thompson & Associates was engaged by the Hartsville/Trousdale County Metropolitan Government to complete a pay and classification study. This summary provides an overview of the process and methodology, findings of the study, and recommendations for the creation of a pay plan with salary grades and steps.

JULY 2021

INTRODUCTION

STUDY OBJECTIVES

- Ensure that the County’s pay practices are competitive in order to attract and retain the required talent to provide quality services to citizens.
- Ensure that employees are assigned to the appropriate job title and that their pay reflects the complexity and scope of their job responsibilities.
- Ensure that the County’s ability to pay is considered in compensation practices.
- Ensure pay is administered in a fair and equitable manner that is not unduly complicated.
- Provide a systematic basis for County Commissioners to evaluate and address pay funding or other pay related requests from elected officials and department heads.

SALARY MARKET DATA

- **Job Analysis** – Reviewed job questionnaires completed by employees; interviewed elected officials/department heads; held employee focus group meeting.
- **Public Sector Data** – Burris, Thompson & Associates Salary Survey: collected data from 11 counties and cities.

Bedford County	Lafayette	Smith County
Cumberland County	Lebanon	Sumner County
Dickson	Macon County	Wilson County
Jackson County	Putnam County	

- **General Business/Industry Data** – for the Cookeville area as a comparable dataset, compiled from a nationally published database.

All salary data was projected to July 1, 2021.

DESIRED MARKET POSITION

Burris, Thompson & Associates recommends that the County targets the **market median**, particularly in light of the lower-than-average benefit offerings provided to employees.

The **Market Rate** for each job is the average of the median **public sector** and the median **private sector** rates for the job. For department heads, population was taken into consideration to determine the **market rate**.

Note: The Market Rate typically represents 5 to 7 years’ time in the job.

FINDINGS

JOB TITLES

The majority of employees are in appropriate job titles. A few departments appear to use job titles generically rather than to acknowledge the distinction between differing job responsibilities. Improper classification of employees results in compensating too much for some positions or too little for others. While paying too little may seem like a cost savings, the result is often losing competent and talented individuals who choose to find appropriate compensation elsewhere.

SALARY MARKET INDEX

Overall, actual **current** Hartsville/Trousdale County employee salaries were at approximately **89%** of their job Market Rate.

Employees with salaries below 85% of the job Market Rate are generally considered underpaid.

RECOMMENDATIONS

JOB CLASSIFICATIONS

Create separate job classifications in the following departments to differentiate between job and, in some instances, supervisory responsibilities:

AMBULANCE / EMS

Current Job: Paramedic
New Classifications: *Paramedic*
Shift Supervisor/Battalion Chief

JAIL

Current Job: Jailer / Guard
New Classifications: *Corrections Officer 1*
Corrections Officer 1

WATER & SEWER

Current Job: Field Tech
New Classifications: *Field Tech 1*
Field Tech 2
Field Tech 3
Crew Chief 1
Crew Chief 2
Water Plant Operator
Wastewater Plant Operator

Current Job: Operator
New Classifications: *Chief Water Plant Operator*
Wastewater Plant Superintendent

Current Job: Sewer Plant
New Classification: *Wastewater Plant Operator*

Current Job: Superintendent
New Classifications: *Water & Sewer Director*

CREATE PAY PLAN

Create pay plan with 15 pay grades, each with 16 pay steps (see **Exhibit I**)

- Step 1 to Step 16 “spread” = 41%
- 11.65% difference between pay grades
- 2.35% difference between pay steps
- Jobs assigned to pay grade for which Step 8 most closely matches **Job Market Rate** (see **Exhibit II**)
- Add temporary *Phase-in Step*

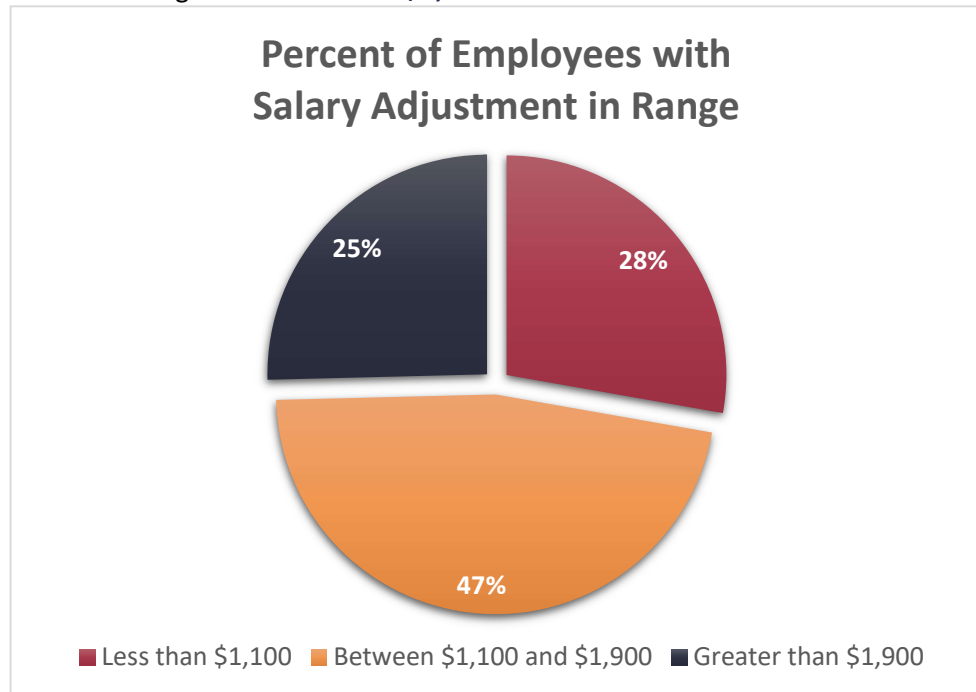

RECOMMENDATIONS

EMPLOYEE SALARY ADJUSTMENTS

- To Phase-in Step, *or*
- To Step closest to current pay rate but not less.
- General Increase – All employees move one step
- Average total increase is **\$1,869**

COST

- Total 12-month cost = approximately \$236,000 (see Table on next page).
- Could phase in over 12 to 24 months.
- Going forward, all employees meeting performance expectations move one pay step each year.

RESULTS

Overall average employee **Salary Market Index** will be **94%** of Market Rate

- 14% of employees < 85%
- 35% of employees > 95%

HARTSVILLE/TROUSDALE
COUNTY GOVERNMENT

SUMMARY

Hartsville/Trousdale County in the northern part of middle Tennessee is one of only three counties in Tennessee with a consolidated city-county government in the state. It is Tennessee's smallest county by size and is located within an hour's drive of the state's capital, Nashville.

The estimated population of Trousdale County as of July 2019 was 11,012,^[1] a 40% increase from the population in 2010.

Larger communities nearby (within about 25 miles) with which Hartsville/Trousdale County may have to compete to attract and retain its employees include Gallatin, Hendersonville, Mount Juliet, and Lebanon.

HEALTH INSURANCE

According to a recent SHRM survey, the majority of employers identify healthcare as the most important benefit to the workforce, followed closely by retirement benefits. Costs of health insurance coverage for both employers and employees has increased considerably, twice as fast as workers' earnings and three times as fast as inflation since 2008.^[2]

Per that same survey, 85% of organizations offer a Preferred Provider Organization (PPO) insurance plan, but High Deductible Health plans (HDHPs) linked with health savings accounts (HSAs) and health reimbursement arrangements (HRAs) continue to grow, with more than half (59%) of organizations reporting at least one HDHP offering. Healthcare spending accounts remain popular and are offered by approximately 68% of employers.^[2]

Hartsville/Trousdale County (HTC) participates in the Tennessee State Group Insurance Program which provides employees with three different insurance carrier networks and four different health insurance plan options. For purposes of this report, we have limited our observations to the most popularly selected health plan for HTC employees, the Limited PPO, and the HDHP. Data for health insurance coverage comparing HTC to typical coverage provided by other employers is summarized in the Appendix.

HTC employees contribute **less** than the typical employee toward **employee only** coverage compared to the surveys. However, employee premiums for **family coverage** are 39% to 54% **higher** than the average.

Office visit co-pays and deductibles are slightly **higher** than the average. The 70%/30% coinsurance of these two plans falls short of the typical practice of 80%/20% coinsurance. Although it is noted HTC does offer another plan which provides the 80%/20% coinsurance coverage.

Over half (58%) of BTA's surveyed employers offering HDHP plans also contributed to employees' HSA or HRA accounts – an average of \$1,794 for individual coverage. HTC makes no contributions to an HSA account on behalf of its employees.

Overall, HTC's most popular (the Limited PPO) and HDHP plans are **less generous than** market practice. While employees contribute less toward premiums for individual coverage than is typical, out-of-pocket costs toward care are higher than the average.

The continuing trend in rising healthcare costs resulting in an approximately 40% increase in health insurance premiums over the past decade has left little

choice for employers but to pass on at least some of the cost increase to employees in the form of larger employee contributions. This movement is expected to continue for the foreseeable future. A more recent trend is the increasing prevalence of High Deductible Health Plans (HDHPs) paired with either a Health Savings Account (HSA) or Health Reimbursement Account (HRA). In 2020, 62% of companies offering health benefits offered one or more HDHP plans.^[3]

DENTAL INSURANCE OPTIONS

- Cigna Prepaid
- MetLife DPPO

DENTAL INSURANCE

Dental coverage is provided by most employers – 97% of employers who provide health benefits provide dental insurance.^[2] Four key types of dental benefit products are available in today’s market: dental Health Maintenance Organizations (DHMOs), dental Preferred Provider Organizations (DPPOs), dental indemnity plans, and discount dental plans. Today, 87% of all commercial dental policies are DPPOs.^[4]

As a participant in the Tennessee State Group Insurance Program, HTC provides two options for its employees: Cigna Prepaid, a DHMO plan, and MetLife DPPO. Both provide routine cleanings and examinations at no charge with either copays (Cigna) or coinsurance (MetLife) for other services dependent upon the service required.

HTC’s plans compare favorably to plans offered by other employers.

VISION INSURANCE OPTIONS

- Davis Vision Basic
- Davis Vision Extended

VISION INSURANCE

Coverage for eye care typically is basic and limited to one eye exam per year, a pair of frames every other year, and lenses each year. Generally, the insured can opt for contact lenses instead of glasses. Participants may be eligible for a discount on Lasik/refractive surgery and even on hearing aids.

HTC, under the Tennessee State Group Insurance Program, provides both a basic and extended coverage plan for its employees. Under the extended plan, employees have an expanded selection of frames from which to choose and lower out of pocket costs for certain lens treatments and/or selections.

HTC’s plans compare favorably to plans offered by other employers.

VACATION

HTC’s vacation leave policy would be viewed by most to be slightly less generous than typical practice (see table below).

YEARS SERVICE	DAYS EARNED		
	BENCHMARK	STATE/LOC GOV	HTC
1 Year	10	11	10
5 Years	10	14	10
7 Years	15	14	10
10 Years	15	17	15
12 Years	20	17	15
20 Years	25	21	15

HTC’s vacation accrual maximizes at 10 years with a total of **15** days per year. The majority of public sector employers (83%) have more generous policies providing **20** days per year, and 38% grant as many as 25 days.

Among public sector employers surveyed by BTA, the maximum number of unused vacation days that can be carried forward varies – 240 or 360 days probably the most typical. HTC does not allow employees to carry over unused vacation days. **Any unused vacation days are lost.** This provision is less generous than typical practice among public sector employers.

SICK/PERSONAL LEAVE

Public sector employees typically accrue 12 days of sick leave per year – private sector employers generally offer considerably fewer days, on average 5 days per year. Most employers allow employees to accumulate unused sick days and carry them forward. There may be some limit to the number of unused sick days that can be accumulated. In the public sector, sixty, ninety or 180-day limits are not unusual – most have no limit. Private sector employers again are not so generous, on average allowing only a maximum of 30 days of sick leave to be accumulated.

Some Tennessee municipalities take advantage of the option of allowing unused sick days to be rolled into the TCRS retirement plan upon retirement.

A growing trend in the private sector, and with a number of public sector employers, is to combine vacation leave, sick leave, and personal days into a single policy called a “Paid Time Off” or PTO policy. The combined plan rarely provides an equivalent number of paid days off as its predecessor plans would have separately (if all vacation, sick, and personal days were used each year). However, recordkeeping is considered much simpler for the PTO plan as only one “bank” of days is necessary. Most employers, nearly 70%, allow employees to carry over unused days to the following year, and, unlike sick days, any earned, but unused days must be paid to the employee at termination.

HTC provides for accrual of one day of sick leave every month beginning with the first full month of employment as a full-time employee. Unused sick time can be carried over each year with no limit on the number of days accumulated. Unused sick days are rolled into the TCRS retirement plan upon retirement.

HTC's sick leave policy matches market practice of the public sector and is more generous than typical practice among private sector employers.

DISABILITY INSURANCE

Many municipalities rely on accumulated sick leave to provide short- and long-term disability income protection (i.e., they do not provide any other STD or LTD coverage). Thus, high limits on the number of days allowed to be rolled over are common (sixty, ninety, and 180 days as mentioned above). However, employees who regularly use all or most of their sick days each year end up with no disability income protection if the employer does not provide STD or LTD coverage. We identify this as a benefit package shortcoming.

HTC offers separate short- and long-term disability insurance as an employee paid option, but does not contribute to this benefit on behalf of employees. For those employees who are vested, TCRS provides disability benefits under the retirement plan based on the benefit calculation of the plan.

RETIREMENT PROGRAM

TCRS added a 401(k) defined contribution option to the retirement plan available to political subdivisions of the state. With the implementation of this feature, TCRS becomes a robust hybrid plan as it maintains the existing defined benefit plan while adding a flexible 401(k) plan option.

In the private sector, defined benefit plans have become very rare, only 15% of workers have access to this type of plan. Defined benefit plans are complex and costs to maintain and fund them have increased significantly due to legislation and the economic climate. Private sector employers find it easier and less costly to move to defined contribution 401(k) plans and, in 2020, 64% of private industry workers had access to a defined contribution plan through their employer⁶.

One advantage to the defined contribution plan is that the employer contribution is just that: defined. A defined benefit plan's contribution is an actuarially determined annual contribution that is affected by interest rates and the fluctuation of investments in the plan's trust account. In a defined contribution plan, the employer generally has a set matching contribution that is determined based on a maximum percentage of each employee's pay that the employee contributes to the plan. In those plans that do offer a match, the contributions typically range from 3% to 6% of pay, with the average match in 2019 at 4.7% of pay⁷.

The retirement picture for public sector employees is somewhat opposite than their private sector counterparts. In the public sector, the defined benefit plan remains the plan of choice, with 86% of state and government workers having access to defined benefit plans in 2020. Only 37% have access to defined contribution plans. Among surveyed cities and counties in Tennessee, 68% participate in the TCRS 5% contributory plan and 29% participate in the non-contributory option. Only two of those surveyed have adopted the 401(k) option.

HTC participates in the Tennessee Consolidated Retirement System (TCRS) defined benefit plan. Employees contribute 5% of salary toward funding the plan. HTC’s contribution is actuarially determined and varies each year.

BENEFITS EVALUATION

The competitiveness of HTC’s benefits package is summarized in the table below. Overall, HTC’s benefits package is less generous than the typical Tennessee municipality. The dental and vision insurance, sick leave, short-term disability, and retirement benefit policies are programs are equivalent with the average offerings. However, health care is more costly (other than the individual employee premium), the vacation policy is less generous, and there is no long-term disability available to employees.

METHODOLOGY

Hartsville/Trousdale County health insurance, dental, vision, vacation, sick leave, disability, and retirement benefits were compared to market data for all U.S. employers (KFF) and to BTA's 2020 Public Sector Benefits Practices survey. The BTA Benefits Practices survey includes data from 41 municipalities from Tennessee, southern Kentucky, and northern Alabama. Where appropriate, data from the survey was segregated to exclude all non-Tennessee participants. Statistical data regarding typical participation, plan types and coverages was pulled from a number of sources as referenced below.

SECTION IV – COMPENSATION

A. SALARIES

1. Due consideration shall be given to duties performed, responsibilities, technical knowledge and skills required to perform the work satisfactorily, the labor market, and the availability of people having the desired qualifications. 3. The County will, in its salary administration and wage and hour policies, follow the rules and regulations set forth by Federal and State Labor Laws (FLSA).
4. We make every effort to track the latest laws and regulations and abide by their guidelines, including legislation that periodically raises the minimum wage, sets training rates, and increases overtime rates. If state law is more generous than the applicable federal rates, we will apply that rate to our pay practices.
5. In compliance with the Federal Equal Pay Act, the County pays male and female employees equal pay for equal work. Employees perform substantially the same jobs when they work in positions that require equal skill, effort, and responsibility and the jobs are performed under similar working conditions.
6. The County reserves the rights to establish incentive pay plans, based on County earnings performance and employee performance appraisals.
7. Salary increases are based on performance and responsibilities, not on seniority: They are not automatic, but are based on supervisors' evaluations of performance results in relation to performance expectations. When the County Commission gives across the board increases, these are considered cost of living increases.
8. Employees will be paid bi-weekly, except for the Water Utility and Highway Department whose employees will be paid according to a schedule set by those departments.
9. The County expressly prohibits any employee from filling in, changing, or damaging any other employee's time record. It is a violation of County policy to change or falsify a time record. Any employees who do so may be suspended or terminated at the discretion of the supervisor and department head.
10. Applicable federal, state, or local income taxes, as well as federal Social Security taxes are withheld from each paycheck. The County obeys all laws that pertain to payroll, including garnishments.
11. We also reserve the right to deduct from employee paychecks any legal (in accordance with state regulations) and applicable allowances for such items as uniforms. The County will not dock pay for disciplinary reasons or deduct such allowances when it would reduce wages below the minimum wage or overtime compensation rates demanded by law. The same holds true for garnishment orders when they would impact that minimum

wage level.

12. No employees may work beyond the normal workday or workweek without official authorization of their immediate supervisor or department head.
 - a. Should the County have a need to change employees' scheduled payday, the method of paying wages, or the place where wages are paid, the County will notify employees in writing thirty (30) days before the change is to take place. In addition, a notice of the change will be posted at each department.
13. The County will provide additional compensation to employees who remain on-call after the completion of the workday, to come back to work, or to perform emergency or needed procedures. Employees will be considered engaged by the County at the time they receive the call until the work is completed. This time will be considered worked time and will be recorded as such on the employee's time sheet. Employees called in will be paid at the employee's regular rate of pay or at his/her overtime rate if he/she has already worked the required hours.

B. HOURS OF WORK

1. The office holder and/or department head shall establish the hours of work per week and post them with beginning time, break time, lunch time and end of day time for each position in the service of the county. Employees unavoidably late or absent from work due to illness or other cause must notify their supervisor within the time frame established by each department (unless unusual circumstances prevent the employee from making proper notification). Such employees must explain the reason for the absence and, if possible, an anticipated time and date of return to work. Failure to notify one's supervisor of absences may result in disciplinary action. Employees who are excessively tardy and found falsifying time sheets will be subject to disciplinary action up to and including dismissal.
2. The typical work day is eight (8) hours. Emergency medical technicians and paramedics typically work a twenty-four (24) hour shift. Sheriff's Department employees typically work an eight (8), ten (10) or twelve (12) hour shift.
3. Each employee must have a thirty (30) minute unpaid rest break or meal period if scheduled to work six (6) hours consecutively, except in workplace environments that by the nature of business provide for ample opportunity to rest or take an appropriate break. Such break shall not be scheduled during or before the first hour of scheduled work activity.

C. ATTENDANCE

1. Every employee is expected to report for work regularly and on time. Good attendance is a most important job requirement and an essential duty of every position. Failure to meet this requirement could result in separation from the payroll.
2. When employees are absent, others must perform their share of the work. In most instances, absent employees are paid for time not worked. In addition, others who must substitute and accomplish the necessary work frequently receive extra and higher compensation in the form of overtime pay. No additional work is accomplished for these added costs. Lost time must be controlled.
3. *Definition of absence.* An employee is absent when he/she fails to report for and remain at work as scheduled. Lateness is a short absence at the beginning of the workday. Leaving early, even with permission, before the tour of duty ends, is also an absence. Absence,

then, includes all time lost from the work schedule, whether avoidable or unavoidable, voluntary or involuntary.

- a. Employees must clearly plan absences in advance with their supervisor, allowing as much notice as they can. When an absence is unplanned, due to illness, an emergency, or some similar cause, employees must report the absence to their supervisor at least thirty (30) minutes before scheduled time on the first day of the absence. In case of a prolonged absence of indefinite duration, they must report their status to their supervisor at least once every three working days.
4. Notification from another employee or relative is not acceptable, except under emergency conditions. An "excused" absence may include personal or family illness, jury duty, bereavement, or other qualified reasons that would require an employee to miss all or part of a scheduled workday. Employees should be prepared to substantiate the reasons for their absences if asked. If an employee is absent frequently, he/she may be required to furnish documentation, including medical statements from his/her doctor. Employees may also be required to produce fitness for duty certificates to return from an absence.
5. A physician's statement or a fitness for duty certificate may be required where absence is continuous for a period of over **three (3) working days** and after surgery or accident, regardless of the length of absence.
6. If an employee fails to give proper notification of his/her absence or if his/her supervisor 'considers the reason unacceptable, the employee will be charged with an unexcused absence. He/she may be excluded from overtime work in the week in which he/she has an unexcused absence.
7. Failing to report an absence properly can be grounds for disciplinary action, including dismissal. Excessive absences and latenesses, even when reported, may also be grounds for discipline or dismissal.' Unsatisfactory attendance will have an adverse effect on any promotion considerations.
8. An attendance record for each individual reporting to them is to be kept by supervisors in a readily accessible place. These records must be updated daily and reviewed regularly. All absences, including latenesses, with all related information are to be entered on the attendance record.
9. Each employee's record stands alone. An employee's record of attendance is an individual record, a record he/she makes. What constitutes unsatisfactory attendance, therefore, must be determined on a case-by-case basis. For example, if an employee is absent only one day during the year, but this one-day absence was avoidable, this employee's attendance record is less than satisfactory. On the other hand, if an employee is absent for several weeks because of a single incapacitating illness or injury, then such an absence, by itself, does not create an unsatisfactory attendance record.
10. Documentation of absence. If their attendance records indicate frequent absences, employees may be required to document reasons for subsequent absences, at the request of their supervisor, so that the absences can be recorded as excused.
11. Attendance records are not an end in themselves, but a means to an end. They are necessary tools for correction of unsatisfactory attendance. Therefore, attendance records must be utilized. They are of no value unless acted upon.
12. Authorized absences are permitted as defined by the County policies for vacation, holidays,

personal sick days, jury service, bereavement, voting, medical leave, personal leave, or military service. Employees must provide timely notice of absence or receive prior approval for the absence as defined by each policy. The County reserves the right to require documentation in support of the absence.

13. *Discipline for absence!* Any employee who fails to give proper notification will be charged with an unexcused absence. If notice is given and the County does not think it justifies the absence, it will be considered unexcused. The following chart shows the discipline that may be administered for unexcused absences.

First absence — Written warning

Second absence — 3-day suspension without pay

Third absence — 10-day suspension without pay

Fourth absence — Discharge

D. LATENESS

1. Lateness is disruptive, costly, and not fair to Hartsville/Trousdale County or other employees. Chronic lateness will not be tolerated and will result in discipline, up to and including discharge.
2. Lateness disrupts schedules, adds to overtime costs, and places additional responsibilities on other employees in a department. Employees are expected to be in their work areas and ready to work at their designated times.
3. Employees who are going to be unavoidably detained are expected to call their supervisors. Attendance is a critical part of performance and employees who are frequently late lower their performance ratings and undermine their chances for promotion and job security.
4. An employee's immediate supervisor will counsel an employee's lateness problems. If problems persist, a written reprimand may be issued and the department head may counsel the employee.
5. Employees must fill in their own time sheets or punch their own time cards when they start or stop work. Anyone attempting to sign or punch any sheet or card other than his/her own may be dismissed: If employees forget to sign in or out on the time sheet or neglect to punch a card, they should notify their supervisor immediately.
6. Productive employees make reporting for work on time a habit. If an employee is having specific problems that make it impossible for him/her to get to work on time, he/she should inform his/her supervisor immediately. He/she may be able to resolve a transportation problem or similar problem. Employees should be aware that continued lateness might result in discipline, up to and including discharge.

E. BREAKS

1. In accordance with the Wage Regulations Act, Tenn. Code Ann. § 50-2-101 et seq., each employee must have a thirty (30) minute unpaid rest break or meal period if scheduled to work six (6) hours consecutively, except in workplace environments that by the nature of business provide for ample opportunity to rest or take an appropriate break. Such break shall not be scheduled during or before the first hour of scheduled work activity.
2. Employees who return late from lunch or breaks may be subject to discipline.
3. Although employees may take personal breaks when approved by their supervisors, employees should make sure that someone remains in the department at all times. Because employees' rest breaks are considered working time, the breaks are paid.
 - a. *Note:* All state-specific regulations concerning breaks will be adhered to.

- b. Lunch periods should be unpaid time. Hourly paid employees must punch out or make a record when leaving the premises and punch in or make a record upon returning to work.

F. REDUCTION IN WORKFORCE

1. Hartsville/Trousdale County will attempt to provide appropriate employment for all employees. If a layoff is necessary to protect the County's financial or operational status, it reserves the right to reduce its workforce either permanently or temporarily. It also reserves the right to reduce its workforce when substantial changes in status or technology necessitate such action.
2. It is our policy to retain, to the extent consistent with County requirements, the services of all employees who perform their duties efficiently and effectively. However, it may become necessary under certain economic conditions to lay off employees. In most cases, employees who are laid off for lack of work will be recalled when condition improves. The County can make no guarantees how and when this recall will take place or if it will take place.
3. Job performance and the type of job being performed will also be considered in the decision. We reserve the right to evaluate individuals on a case-by-case basis before making an employment decision.
4. When hiring is resumed after a layoff, the County will use every reasonable effort to recall former employees.

G. PAYDAY

1. All employees of the Hartsville/Trousdale County Metropolitan Government shall be paid on a **bi-weekly basis**. Questions about work time, salary or paycheck should be addressed to payroll personnel within the pay period in question or immediately thereafter.
2. If an employee is absent on payday and wishes to have someone else obtain their check, they must send a signed note authorizing release of the check to the bearer. **The bearer will be required to present a picture ID in order to obtain the employee's check.**
3. If an employee loses his/her check, the employee must notify the payroll personnel immediately. The employee will be required to sign an affidavit stating that the check has been lost, and a new one will be issued.
4. If an employee resigns, his/her last check will be issued on the regular payday. The employee should give written notice of where the check should be sent if the employee is not available to pick it up.

H. PAYROLL DEDUCTIONS

The following charges are deducted from the employee's paycheck:

1. **Federal Income Tax** - Federal taxes are withheld from employees' paychecks based on the number of dependents claimed by the individual. Employees are required to keep on file with the local government a copy of the W-4 form. In the event of changes in the employee exemption status, a revised W-4 must be filed before payroll deduction adjustments will be made.

2. **Social Security**-Social Security payments and deductions will be made in accordance with the Social Security Act. Payroll personnel shall keep such records and make such reports as may be required by applicable state and federal laws or regulations.
3. **Retirement System** - Full-time employees of Hartsville/Trousdale County Metropolitan Government will be eligible for retirement benefits under the Tennessee Consolidated Retirement System. Contact the County Mayor's Office for specific information about retirement benefits.
4. **Insurance Coverage:** - The Hartsville/Trousdale County Metropolitan Government provides basic health insurance coverage. In the event of a "qualifying event" that terminates benefits, the local government will offer employees and their dependents the opportunity to extend their health insurance coverage under COBRA. Regular full-time employees shall be eligible for health insurance benefits on the 1st day of the next month following a new hire or promotion from part-time to full-time.
5. **Consolidated Omnibus Budget Reconciliation Act (COBRA)**
 - a) Hartsville/Trousdale County adheres to all the requirements of the Consolidated Omnibus Budget Reconciliation Act (COBRA) as they apply to our employees. Should employees lose their health care coverage under our health care plan as the result of a qualifying event, employees and employees' spouses and dependent children will be given the opportunity to continue to purchase coverage as a group member for the legally-specified period of time following the loss of coverage.
 - b) Although employees' right to elect continuation coverage occurs upon the occurrence of a qualifying event to employees, coverage is not automatic. Employees and employees' spouses and dependents must make an affirmative election of coverage before coverage will begin. An election form will be sent with the notice of eligibility. The election must be made within sixty (60) days of the date coverage is lost or the date that the notice of eligibility is sent, whichever is later. An election is considered to have been made on the date employees send in the election form or a letter indicating an election is being made.
 - c) Employees are eligible for continuation coverage if terminated from employment for any reason other than for gross misconduct or if a reduction in hours results in the loss of coverage under our group health plan. Continuation coverage will be available for eighteen (18) months from the date of termination or reduction in hours for employees, employees' spouses, and dependent children.
 - d) We will give the employee notice of his/her right to elect continuation coverage within fourteen (14) days after the plan administrator is notified that the employee has incurred a qualifying event. The County will notify the plan administrator within thirty (30) days of the employee's death, termination, reduction in hours of employment, or entitlement to Medicare. The employee or the employee's qualified beneficiary must notify the plan administrator within sixty (60) days of a divorce or legal separation or the date on which the employee's child ceases to be a dependent under our health plan rules.
 - e) We will mail notice of the right to elect continuation coverage to the employee and his/her qualified beneficiaries by first-class mail to his/her last known address and to the last known address of the qualified beneficiaries. It is the responsibility

of the employee to make sure the insurance clerk has the correct address and all relative information of any beneficiaries.

6. **Others:** - Other deductions may be made from an employee's pay only with a signed consent from the employee or applicable court order.

I. OVERTIME

1. Employees required to work overtime shall be compensated in accordance with the Fair Labor Standards Act (FLSA) at a rate of one and one-half (1½) times the employee's regular pay rate. Salaried personnel and officers of the Hartsville/Trousdale County Metropolitan Government are exempt from the overtime provisions.
2. Employees must work 40 hours before overtime takes effect. **Vacation, Sick Leave and Personal time off will not count as time worked for overtime.** Only Holiday and Military Leave will count as time worked.
3. **EXEMPT EMPLOYEES WILL NOT RECEIVE OVERTIME PAY OR COMPENSATORY TIME OFF.**
4. THESE POSITIONS ARE: Elected Officials and other Officials having a statutory salary established by the State of Tennessee.

J. COUNTY RESCUE SQUAD AND COUNTY FIRE DEPARTMENT VOLUNTEER HOURS DURING REGULAR BUSINESS HOURS

1. Any County Government employee who serves as a volunteer with the Trousdale County Rescue Squad or Trousdale County Fire Department may leave their department during regular working hours and retain their rate of pay, per Department Head approval, to respond to an emergency call. The employee must document when they leave their department at the time of the call on their timesheet. The employee will need to document a separate timesheet for their volunteer hours with the Rescue Squad or Fire Department. After the Rescue Squad or Fire Department Head has dismissed the employee from the call and it is still within the scheduled working hours, the employee must report back to their department to finish out their day.

4. Part-time employees do not qualify for vacation leave. However, part-time employees promoted to full-time status may count their first full day and forward of part-time employment with the Hartsville/Trousdale County Government toward the fulfillment of the six (6) month probationary period.
5. Vacation leave may be used only at times approved in advance by the employer. Vacation requests will be honored to the extent possible.
6. If two or more employees request vacation for the same period of time, it will be the employer's decision as to whether this will create a hardship upon the department. 7. No employee may give or loan vacation time to another employee.

E. SICK LEAVE

1. Sick leave shall be considered a benefit and privilege and not a right. Full time employees will receive full pay during incapacity caused by illness or accident if sick leave is taken. Sick leave is **earned at the rate of eight (8) hours per month**. Employees hired on or before the 15th of the month accrue one (1) day of sick leave end the end of that month. Employees hired on or after the 16th of the month do not accrue any sick leave for that month. There is no maximum amount of days that can be accumulated. (i.e. 8 hours earned at the end of the first month – these 8 hours shall be available to use on the first day of the following month). The six (6) month probationary period shall not prevent the accrual of sick leave or use of earned sick leave during this time. *For retirement purposes, these days can build toward retirement with no maximum. This sick leave can be carried from one calendar year to the next.* Accumulated sick leave has no value except for the purpose granted, and in the event of separation (with the exception of retirement) all unused sick leave shall be forfeited.
2. An employee may utilize sick leave allowance for absence due to his own illness or injury or the illness or injury of an immediate family member (i.e., spouse, child, and parent). Sick leave may also be used for appointments with a licensed doctor, dentist or recognized practitioners. When appropriate, a partial sick day may be used rather than a full day. No employee may give or loan sick leave time to another employee.
3. Employees are required to notify the employer as early as possible on the first day of their sick leave absence. **An employee who claims sick leave, and the sickness or injury causes the employee to miss twenty-four (24) or more consecutive work hours, shall be required to furnish a certificate/note from a medical provider stating the general nature of the sickness or injury on the day they return to work.** Emergency Medical Technicians/Paramedics who claims sick leave, and the sickness or injury causes the

The doctor's statement should also provide that said employee has been incapacitated from work for the period of his absence, and that he is again physically able to perform his duties. Failure to provide the doctor's statement shall result in the days missed being considered unauthorized absences under Section VI (A)(1)(a), Resignation.

4. Employees who have used all their sick leave will not receive financial compensation for additional days needed due to illness or injury. For any additional time needed, the employee will be considered as on leave without pay status unless the employee has any accumulated vacation time remaining. The employee may request that additional sick leave be credited against the remaining vacation time. (Removed references to comp. time.)
5. In the event of depleting all leave due to illness, an employee should request Family Medical Leave (FMLA) in order to keep all benefits in place during the absence. Please refer to the section of FMLA on page to see what qualifies as FMLA.
6. Sick leave will not be accumulated when an employee is on any unpaid leaves of absences.
7. Upon retirement from Hartsville/Trousdale County, any employee who has unused accumulated sick leave at the date of his/her retirement may receive one month of retirement credit for each twenty (20) days of leave. F. COVID-19 SICK LEAVE POLICY

1. **Eligibility.** All current full and part-time employees scheduled but unable to work (or telework) between the dates of January 1, 2021 and December 31, 2021 due to one of the following reasons are eligible for COVID-19 sick leave:
 - a) The employee is subject to a federal, state, or local quarantine or isolation order related to COVID-19. A copy of the federal, state, or local quarantine or isolation order related to COVID-19 applicable to the employee or the name of the government entity that issued the order must be submitted to support the employee's COVID-19 sick leave request.
 - b) The employee has been advised by a licensed health care provider to quarantine or self-isolate due to concerns related to COVID-19. Written documentation by a health care provider advising the employee to quarantine or self-isolate due to concerns related to COVID-19 or the name of the provider who advised the employee must be submitted to support the employee's COVID-19 sick leave request.
2. **Amount of COVID-19 Sick Leave:** Eligible employees have up to ten (10) working days of COVID-19 sick leave available to use for qualifying reasons. For employees with varying hours, one of two methods for computing the number of hours paid will be used:
 - a) If the employee has worked 6 months or more, the average number of hours that the employee was scheduled per day over the 6-month period ending on the date on which the employee takes leave, including hours for which the employee took leave of any type.

- b) If the employee has worked less than 6 months, the expected number of hours to be scheduled per day at the time of hire.
3. **Consecutive COVID-19 Sick Leave.** Because all other reasons for COVID–19 sick leave could potentially expose an employee or others in the workplace to the virus, once an employee begins taking leave for reasons 1-2 above, the employee must use the permitted days of leave consecutively until the employee no longer has a qualifying reason to take COVID–19 sick leave.
 4. **Rate of Pay:** COVID–19 sick leave will be paid at the employee's regular rate of pay without consideration of overtime pay.

 6. **Procedure for Requesting COVID-19 Sick Leave:** Employees must notify their **DEPARTMENT HEAD OR ELECTED OFFICIAL** of the need and specific reason for leave under this policy as soon as possible on the first day of their COVID-19 sick leave absence. A COVID-19 Sick Leave Request Form will be provided to all employees. Verbal notification will be accepted until practicable to provide written notice.
 - a) COVID-19 sick leave must be approved by the employee's **DEPARTMENT HEAD OR ELECTED OFFICIAL** in the same manner as all approved leave requests using the approved COVID-19 Sick Leave Request Form
 - b) Once COVID-19 sick leave has begun, the employee and his or her supervisor must determine reasonable procedures for the employee to report every three (3) working days on the employee's status and intent to continue to receive COVID–19 sick leave.

An employee who falsely certifies they will not work for another employer during those normal work hours, and does in fact work for another employer, will be subject to discipline under Section VI.
 7. **Documentation required for COVID-19 sick leave to be paid.** The employee must submit to their **DEPARTMENT HEAD OR ELECTED OFFICIAL** the following documents (if applicable):
 - a) Any quarantine order, self-isolation order, doctor note, or test results should be submitted via email, text or fax to the employee's **DEPARTMENT HEAD OR ELECTED OFFICIAL** as soon as possible after receipt, but no later than 24 hours after the documentation is received.
 - b) signed leave request form; and
 - c) return to work form.
 - d) All required documentation must be stapled to the employee's timesheet and submitted to the Mayor's Office along with the employee's timesheet.

IF THE REQUIRED DOCUMENTATION IS NOT PROVIDED AT THE SAME TIME AS THE EMPLOYEE'S TIMESHEET, THE EMPLOYER WILL EXHAUST REGULAR SICK AND VACATION LEAVE OR THE EMPLOYEE WILL BE GIVEN LEAVE WITHOUT PAY.

8. **Employees who have previously tested positive.** An employee who has previously tested positive for COVID-19 and has since recovered, may receive COVID-19 sick leave if they meet the following requirements:

 - c) no other cause can be found for the symptoms;OR
 - d) the employee tests positive for COVID-19.The employee must submit written documentation by a licensed health care provider advising the employee to self-quarantine due to concerns related to COVID-19.
9. **Carryover:** COVID-19 sick leave under this policy will not be provided beyond December 31, 2021. Any unused COVID-19 sick leave will not carry over to the next year or be paid out to employees and does not count toward retirement calculation for the Tennessee Consolidated Retirement System.
10. **Exhausted COVID-19 Sick Leave:** When the employee has exhausted their allotted COVID-19 sick leave and the employee is still under orders to quarantine, the employee must use accrued leave under the FMLA policy.
11. **Return to work.** Upon returning to work, an employee must fill out, sign and submit to the **DEPARTMENT HEAD OR ELECTED OFFICIAL** the approved COVID-19 Return To Work Form.
12. **No Penalty:** No employee who appropriately utilizes COVID-19 sick leave under this policy will be discharged, disciplined, or discriminated against for work time missed due to this leave.

Please contact Vickie Howard at 615-374-2461 or at vickie.howard@trousdalecountyttn.gov with any questions.

G. LEAVE OF ABSENCE WITHOUT PAY

1. After an employee has exhausted his/her accrued sick **and vacation** leave or has not completed the six (6) month probationary period, a leave of absence without pay may be granted at the discretion of the employer. No department head will grant a leave of absence without pay until an employee has exhausted his/her sick and vacation leave and has completed his/her six (6) months probationary period.
2. A leave of absence without pay may also be granted as a reasonable accommodation to people with disabilities. The employee may be placed on a special leave without pay, or the employee may be terminated if he/she is unable to perform his/her job or another job with or without reasonable accommodation.
3. If the employee should be able later to return to work, upon presentation of certification by a doctor, he/she shall be given preference for employment for which he/she is qualified.
4. During periods of unpaid leave, the employee will not accrue vacation or sick leave benefits if in an unpaid leave status for more than **eighty (80) working hours** per month. The absence without pay leave shall not extend for a period in excess of six (6) months.
5. Benefits will not be paid by the Hartsville/Trousdale Government during absence without pay. The employee may pre-pay benefits during this leave period to continue coverage.

6. For employees who have not yet completed their six (6) month probationary period, but are granted a leave of absence without pay status by the Elected Official/Supervisor the following shall apply:
 - a) All time worked prior to the "leave of absence without pay" status shall be counted toward the probationary period when said employee returns to work. In other words, the employee will "pick up where s/he left off" in meeting the probationary period requirement.
7. The County will endeavor to return employees to the same or equal job they had prior to the leave of absence. We cannot guarantee the same job; however, the employee will suffer no loss in employment status. Employees who are granted a leave of absence for any reason shall suffer no loss in net creditable service to the County as far as vacation, retirement, and length of service awards are concerned. All health benefits coverage will continue during the leave of absence, provided the employee plans to return to work and continues to pay the current percentage of the premium paid by working employees.

H. FAMILY AND MEDICAL LEAVE POLICY

1. The Family and Medical Leave policy is applicable to both male and female employees who have worked at least twelve (12) months for the local government and who have worked at least one thousand two hundred fifty (1,250) hours during the preceding twelve (12) month period. Public agencies are covered without regard to the number of employees. Special rules apply for husbands and wives employed by the same employer, for highly compensated employees, and for local educational agencies.
2. **People who are NOT covered include: elected officials, political appointees, volunteers, independent contractors, and legal advisors.**
3. Under the act, an eligible employee may take up to 12 weeks of unpaid leave in a 12-month period for the birth and care of a child or the placement and care of a child for adoption or foster care. Leave may also be taken to care for the employee, a child, spouse, or a parent who has a serious health condition.
4. An expectant mother may take unpaid Family and Medical leave upon the birth of the child, or prior to the birth of the child, for necessary medical care and if her condition renders her unable to work. Similarly, for adoption or foster care, leave may be taken upon the placement of the child or leave may begin prior to the placement if absence from work is required for the placement to proceed.
5. An employee may take unpaid leave to care for a parent or spouse of any age who, because of a serious mental or physical condition, is in the hospital or other health care facility. An employee may also take leave to care for a spouse or parent of any age who is unable to care for his/her own basic hygiene, nutritional needs or safety.
6. Eligible employees who are unable to perform the functions of their position because of a serious health condition may also request up to twelve (12) weeks unpaid leave.
Employees requesting Family and Medical leave due to their own illness or injury shall use any sick leave or annual leave beginning with the date that Family and Medical leave commences. Family and Medical leave must commence upon ten (10) working days absence from the job and will be retroactive to the first day of absence. **All sick and**

annual leave will run concurrent with Family and Medical Leave. The combination of sick leave, annual leave, and unpaid leave, however, may not exceed twelve (12) weeks. Employees requesting Family and Medical Leave may use unpaid leave. During periods of unpaid leave, an employee will not accrue any additional seniority or leave if off more than ten (10) working days.

7. If the employee does not return to work at the expiration of family and medical leave, Hartsville/Trousdale County will require the repayment of health insurance premiums it paid on the employee's behalf during the leave period. Reimbursement will not be required if the employee does not return from leave because of the continuance, recurrence, or onset of a serious health condition that prevents the employee from performing his/her job or because of further circumstances that are beyond the employee's control.

I. BEREAVEMENT LEAVE

1. In case of death in the employee's immediate family, the employee will be given **twenty-four (24) working hours** paid leave which will not be charged to vacation leave. The state law further provides that the employee cannot be penalized or suffer a reduction in pay due to the absence. There is an exception to this requirement, if the employee's work period begins three or more hours after the opening of the polls or ends three or more hours before the closing of the polls, then the employer does not have to allow any time off from work. County employees who report to work at 7 AM or before 10 AM will be allowed to leave work at 4 PM (if still at work) to exercise their right to vote. The employee will receive regular compensation during this period and leave time will not be affected. Voting time shall not be counted as working time for overtime computation.

K. JURY AND COURT DUTY

1. It is desirous for all employees to fulfill their duty to serve as members of juries or to testify when called in both Federal and State courts. Therefore, the following procedures shall regulate when an employee is called for jury duty or subpoenaed to court:

 - b. The employee will receive his regular compensation during the time he is serving on jury duty.

L. MATERNITY LEAVE

T.C.A. 4-21-408. Maternity Leave

1. A female employee who has been employed by the same employer for at least 12 consecutive months as a full-time employee, as determined by the employer at the job site or location, may be absent from such employment for a period not to exceed four (4) months for pregnancy, childbirth and nursing the infant, where applicable (such period to be hereinafter referred to as (maternity leave").
2. A female employee who gives at least three months advance notice to her employer of her anticipated date of departure for maternity leave, her length of maternity leave, and her intention to return to full-time employment after maternity leave, shall be restored to her previous or a similar position with the same status, pay, length of service credit and seniority, wherever applicable, as of the date of her leave.
3. A female employee who is prevented from giving three months advance notice because of a medical emergency which necessitates that maternity leave begins earlier than originally anticipated, shall not forfeit her rights and benefits under this part solely because of her failure to give three months advance notice.
4. Maternity leave will be without pay. Maternity leave shall not affect the employee's right to receive vacation time, sick leave, bonuses, advancement, seniority, length of service credit, benefits, plans or programs for which she was eligible at the date of her leave, and any other benefits or rights of her employment incident to her employment position; provided, however, that the employer need not provide for the cost of any benefits, plans or programs during the period of maternity leave unless such employer so provides for all employees on leave of absence.
5. If an employee's job position is so unique that the employer cannot, after reasonable efforts, fill that position temporarily, then the employer shall not be liable under this part for failure to reinstate the employee at the end of her maternity leave period.
6. The purpose of this part is to provide leave time to female employees for pregnancy, childbirth, and nursing the infant, where applicable; therefore, if an employer finds that the female employee has utilized the period of maternity leave to actively pursue other employment opportunities, or if the employer finds that the employee has worked part-time or full-time for another employer during the period of maternity leave, then the employer shall not be liable under this part for failure to reinstate the employee at the end of her maternity leave.
7. Whenever the employer shall determine that the employee will not be reinstated at the end of her maternity leave because her position cannot be filled temporarily or because she has used maternity leave to pursue employment opportunities or to work for another employer, the employer shall so notify the employee.
8. Nothing contained within the provisions of this law shall be construed:
 - a. To affect any bargaining agreement or local government policy which provides greater or additional benefits than those required under this part.
 - b. To require any employer to provide maternity leave to male employees;

- c. To apply to any employer with fewer than one hundred (100) full-time employees on a permanent basis at the job site or location.

Benefits which are receivable by the employee will be determined by the provisions of the Workers' Compensation Law.
2. **All injuries arising out of and in the course of one's employment shall be governed by the Tennessee workers' compensation law. Employees on occupational disability leave shall receive only those benefits due under workers compensation.**
3. **No employee will pursue other employment opportunities, either full-time or part-time, for another employer while on worker's compensation leave.**

 - c. Is unable to perform the essential functions due to a temporary condition or disability not protected by the ADA.

4. **Administrative Leave cannot be carried forward as a leave to be used at the employee's discretion.**

O. INCLEMENT WEATHER CONDITIONS

1. **The Hartsville/Trousdale County Government believes that employees should use their own judgment in deciding whether to travel to work in the event of inclement weather. If you feel driving conditions are too severe to drive, notify your supervisor as soon as possible. Employees will be required to use annual leave in order to be paid for time off unless the Hartsville/Trousdale County Government is closed. The County Mayor and / or Constitutional Officers will determine whether the Hartsville/Trousdale County Government's offices are closed due to inclement weather, and if the Mayor or Constitutional Officer chooses to close, employees should be granted administrative leave by their department head / constitutional officer.**

OR

1. It is Hartsville/Trousdale County's policy to continue operations despite weather conditions unless an emergency threatens to make employee transportation to or from work impossible or dangerous. Employees are expected to show up for work regularly and on time except when transportation is impossible.
2. In case of severe weather, employees must look out for their own safety. However, this doesn't mean a free day off. Unless management has closed the County facility, employees are expected to come to work; otherwise, the employee will be charged vacation time.
3. If the County facility opens and is forced to close early because of the weather, all employees who reported to work will be paid. Employees who made no effort to come in will not be paid.) If the facility is closed prior to the start of the shift, employees will not be paid. All employees are urged to make every possible effort to get to work if the facility remains open.
4. If the facility remains open and employees do not come to work, they may use a vacation day instead of losing pay. Employees who report to work and are later sent home because of weather problems will be paid for the hours worked.
5. No wage/salary decisions will transgress the requirements of federal and state regulations. When weather conditions make it hazardous for employees to report for work, they should:
 - i. call the department head or designated contact; or
 - ii. listen to local radio and television stations for closure announcements.
6. The following payroll guidelines have been established for hourly employees reporting to work when the County opening is delayed due to bad weather conditions.
 - i. Employees who do not report to work will not be paid for the day. With supervisory approval, they may take the day as a vacation day.

Qualified employees who seek paid leave under this policy must provide the official order calling for their service or training to their supervisor. A. HOLIDAYS

1. Former Town of Hartsville employees shall receive the same holidays as are given to all former Trousdale County employees and new hires of the Hartsville/Trousdale County Government (refer to Section V.1.B.). This does not constitute a loss of benefits for former Town of Hartsville employees regarding the former Town giving the day after Christmas as a holiday. This holiday benefit is merely changed from the day after Christmas to Christmas Eve. Former Town employees still will receive 2 days holiday for Christmas.

B. HOLIDAY PAY

1. When an employee must work on a holiday, the employee will be paid at the rate of two-times (2) their regular pay rate for all scheduled time worked on the day observed as the holiday (double time).

C. VACATION LEAVE

1. All full-time employees of the former Town of Hartsville shall be entitled to annual leave days per month in accordance with the number of years worked as follows:

3. Annual leave, so far as practical, will be granted at the time desired by employees, but annual leave in each department must be scheduled to assure orderly operation and adequate, continuous service to the public. Department heads must plan with employees in their department an orderly annual leave schedule. Holidays, as defined above, shall not be counted as annual leave days, however, if a holiday falls on an employee's scheduled vacation leave day, the employee shall be credited with another vacation day in lieu of the holiday.

4. SECTION VI – SEPARATIONS AND DISCIPLINARY

ACTIONS

A. TYPES OF SEPARATIONS

1. All separations of employees from positions with the local government shall be designated as one of the following types and shall be accomplished in the manner indicated: Resignation, layoff, death, retirement, dismissal and suspension. **An employee who is terminated for violating policy or who resigned in lieu of termination from employment due to a policy violation will not be eligible for rehire.**
 - a. **Resignation.** To resign in good standing, employees should give their department head / constitutional officer and / or supervisor at least fourteen (14) calendar days notice. In such a case, employees will be expected to return any or all local government equipment assigned. **When employment ends for any reason, employees should contact the department head / constitutional officer and / or supervisor relative to any monies due the employee. An unauthorized absence from the work place of a period of three (3) working days shall be considered by the department head as a resignation.** If a former employee returns to local government employment, his/her status of seniority, pay leave, etc. will be the same as any new employee beginning work for the first time unless circumstances require a higher rate (inability to recruit qualified candidates). **An employee's resignation will be effective upon the separation date given in the two (2) week notice. In the absence of such notice, the separation date shall be the employee's last day worked. An employee's unused vacation leave cannot be used to extend the employee's separation date beyond the date stated in the two (2) week notice, or beyond the last day worked. Any unused vacation leave shall be paid out on the next payroll date following the date of separation or last day worked.**
 - b. **Layoff.** The department head may layoff an employee in the local government service when he/she deems it necessary by reason of shortage of funds, the abolition of a position, or other material changes in the duties or organization of the employee's position or for related reasons that are outside the employer's control and that do not reflect discredit upon the employee's service. Temporary employees shall be laid off before probationary or regular employees. The order of layoff shall be in reverse order to total continuous time served upon the date established for the layoff to become effective.
 - c. **Disability.** An employee may be separated for disability when he/she cannot perform the essential functions of the job because of physical or mental impairment that cannot be accommodated without undue hardship or because the disability poses a direct threat to the health and safety of others. Action may be initiated by the employee or the local government, but in all cases, it must be supported by medical evidence and the disability must prevent the employee from performing the

essential functions of the job. The local government may require an examination at its expense to be performed by a licensed physician of its choice.

- d. **Retirement.** Whenever an employee meets the conditions set forth in the retirement system's regulations, he/she may elect to retire and receive all benefits earned under the appropriate retirement system. Employees should notify their appropriate department head at least thirty (30) days in advance of retirement.
- e. **Death.** Upon the death of a full-time regular employee, his/her beneficiary will receive his/her next due payroll check and pay for accrued vacation time. Further, his/her beneficiary shall be given complete assistance by the local government personnel department in settling pension, life, and hospital insurance benefits, if such benefits have been provided by the local government. Separation shall be effective as of the date of death of an employee.

B. TYPES OF DISCIPLINARY ACTION

1. Whenever an employee's performance, attitude, work habits, or personal conduct fall below desirable level, supervisors shall inform employees promptly and specifically of such lapses and shall give them counsel and assistance. If appropriate and justified, a reasonable period of time for improvement may be allowed before initiating disciplinary action. In some instances, a specific incident in and of itself may justify severe initial disciplinary action; however, the action to be taken depends on the seriousness of the incident and patterns of past performance and conduct.
2. For the purposes of definition, a Department Head can be any of the following positions: County Mayor, any of the Constitutional Officers, the Clerk and Master, the Circuit Court Clerk, or the Head of a specific Department within General County Services. For the purposes of definition supervisor can be the Department Head or an individual officially designated by the Department Head to oversee operations as directed by the Department Head.
3. The types of disciplinary action are:
 - a. **Oral Reprimand.** Whenever an employee's performance, attitude, work habits, or personal conduct fall below a desirable level, the Department Head shall inform the employee promptly and specifically of such lapses and shall give him/her counsel and assistance. If justified, a reasonable period of time for improvement may be allowed before initiating disciplinary actions. The Department Head may place a memo in the employee's file stating the date of the oral reprimand, what was said to the employee, and the employee's response. After sixty (60) days, the oral reprimand may be removed from the file.
 - b. **Written Reprimand.** In situations where an oral warning has not resulted in the expected improvement or when more severe initial action is warranted, a written reprimand will be delivered to the employee, and a copy will be placed in the employee's personnel folder. The Department Head administering the reprimand shall advise the employee that the action is a written reprimand and emphasize the seriousness of the problem; cite previous corrective actions and/or informal discussions relating to the offense; identify the problem and/or explain the offense;

inform the employee of the consequences of continued undesirable behavior; detail corrective actions and identify dates by which the correction actions shall be taken.

At the conclusion of a conference with the employee, a signed copy of the written reprimand will be given to the employee and a copy placed in the employee's personnel folder. It is recommended that the affected employee sign the written reprimand to indicate that he/she has seen the document and to acknowledge receipt of the employee's copy. Should the employee refuse to sign the written reprimand, the Department Head will obtain a witness to sign and date the form and so indicate the employee's refusal to sign. An employee who disagrees with the written reprimand may place a written statement of his/her objection in the personnel file.

- c. **Suspension.** An employee may be suspended with or without pay by his/her Department Head. The suspension will not exceed a total of (ten) 10 days in any 12-month period. Pursuant to the appeals procedures, a written statement of the reason for suspension shall be submitted to the employee affected at least 24 hours prior to the effective date of suspension. Under certain circumstances, an employee may be suspended without 24-hour notice, if in the best interest of the local government. The decision to suspend without notice must be made by the Department Head. During the advance-notice period, the employee may be retained in active-duty status, placed on leave, or suspended with or without pay at the discretion of the Department Head. The employee will be granted a hearing before the Department Head upon request, pursuant to the appeals process. An employee determined to be innocent of the charges shall be returned to duty with full pay for the suspension period. All records associated with a suspension shall become a permanent part of the employee's personnel file unless the employee is determined to be innocent of the charges.
- d. **Dismissal.** The Department Head may dismiss an employee for just cause that is for the good of the local government service. Reasons for dismissal may include, BUT ARE NOT LIMITED TO:
 - a. Misconduct
 - b. Negligence
 - c. Incompetency or inefficiency in performing duties
 - d. Conviction of a criminal offense or of a malfeasance involving moral turpitude
 - e. Violating any lawful and reasonable regulation, order, or direction made or given by a superior, or insubordination that constitutes a serious breach of discipline
 - f. Being intoxicated, drinking any intoxicating beverages, or being under the influence of a drug or narcotic while on duty
 - g. Theft, destruction, carelessness, or negligence of local government property
 - h. Disgraceful personal conduct or language toward the public, fellow officers, or employees

- i. Unauthorized absences or abuse of leave privileges
 - j. Incapacity to perform the essential functions of a job because of a permanent or chronic physical or mental defect that cannot be reasonably accommodated
 - k. Accepting any valuable consideration that was given with the expectation of influencing the employee in performing his/her duties
 - l. Falsifying records or using official position for personal advantage
 - m. Loss of an employee's driver's license and driving privileges by due process of law when the employee's position makes operating a motor vehicle necessary in performing his/her duties
 - n. Violating any of the provisions of the local government charter, personnel ordinance, or these rules
4. Pursuant to the appeals procedure, the employee shall be furnished an advance written notice containing the nature of the proposed action, the reasons therefore, and the right to appeal the charges orally or in writing before the Department Head. When possible, the notice shall be furnished at least one calendar week prior to the proposed effective date of the action. During this period, the employee may be retained on duty status, placed on leave, or suspended with or without pay at the discretion of the Department Head. If the employee fails to respond to the advance notice, the proposed action shall be effective on the date specified with no need for further action.
 5. If the employee requests a hearing on the proposed action, the Department Head shall promptly set a date and time for the hearing and shall carefully consider all evidence presented before making a decision. **The decision of the Department Head shall be final.**

C. GRIEVANCE PROCEDURES

1. A grievance is defined as an employee's feeling of dissatisfaction, and any differences, disagreements, or disputes arising between an employee and his/her supervisor and/or employer regarding some aspect of his/her employment, application or interpretation of regulations and policies, or some management decision affecting him/her. A grievance may be something real, alleged, or a misunderstanding concerning only administrative orders involving the employee's health, safety, physical facilities, equipment or materials used. Such misunderstandings, complaints, points of view, and opinions will be considered a grievance, except in cases where they relate to personnel actions arising out of pay, suspension, and dismissal.
2. It is the local government's desire to address grievances informally, and both supervisors and employees are expected to make every effort to resolve problems as they arise. However, it is recognized that there will be occasional grievances that will be resolved only after a formal appeal and review. Employees who have a complaint or grievance may discuss the grievance with their immediate supervisor, a higher-level supervisor, and/or the Department Head.

3. Every employee may present a complaint or grievance under the provisions of the grievance procedures free from fear, interference, restraint, discrimination, coercion, or reprisal. Steps of the grievance procedures are as follows:
 - a. **STEP ONE.** The employee makes an oral or written presentation of the complaint or grievance to the supervisor within three (3) working days from the incident that prompted the grievance. It shall be the supervisor's responsibility to promptly investigate the circumstances surrounding the grievance, discuss the matter with the appropriate Department Head, and take action, if possible. The supervisor shall inform the employee in writing of the decision and any action taken shall be taken within three (3) days from the date the grievance was filed, if appropriate. The supervisor shall prepare a written report of the complaint or grievance and provide a copy of it to the Department Head. Any supervisor in the chain-of-command shall attach his/her recommendation regarding the unresolved complaint or grievance if it proceeds to a higher level. No supervisor may hold a complaint longer than 72 hours without forwarding it to the next supervisory level.
 - b. **STEP TWO.** If the grievance cannot be resolved on an informal basis between the employee and supervisor, the employee may proceed to the second procedural step. Before proceeding, an employee must reduce the complaint or grievance to **signed** writing and request that the written statement be delivered to the Department Head. If an employee wishes a hearing, the Department Head will accommodate the employee. Upon hearing the grievance, the Department Head must provide a written response to the employee and the immediate supervisor within three (3) days (72 hours) of the hearing.
 - c. **STEP THREE.** If the grievance is not resolved with the Department Head, the employee may request in writing a hearing with the County Mayor. If applicable, the employee may request in writing a hearing with the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk. The County Mayor shall have ten (10) working days to schedule the hearing, after which the County Mayor shall provide a written response to the employee with copies to the department head and immediate supervisor. If applicable, the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk shall have ten (10) working days to schedule the hearing, after which the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk shall provide a written response to the employee with copies to the department head and immediate supervisor. Every attempt will be made to resolve the employee's grievance.
 - d. **STEP FOUR.** If the grievance is not resolved with the County Mayor, the employee may request that his/her written complaint be heard by the governing body. If applicable, if the grievance is not resolved with the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk, the employee may request that his/her written complaint be heard by the governing body.

D. POLICIES GOVERNING GRIEVANCE AND APPEALS PROCEDURES

1. An employee with a grievance shall be notified in writing of his/her rights to:
