

ORDINANCE 1992- 4

BE IT ORDAINED that, pursuant to I. C. 9-20-1-3, there shall be imposed a 10,000 pound weight restriction as to the weight of vehicles operated upon any bituminous coated county highway, because the presence of frost or other climatic conditions will cause serious damage or destruction of such highways without regulation of such vehicles. This ordinance shall be effective from January 20, 1992 to April 15, 1992.

The County Highway Department shall cause to be erected and maintain signs specifying the terms of this ordinance at each end of any county highway affected by this ordinance and at intersecting highways.
