

PETITION

County Council:

On May 5, 2015, Governor Pence signed into law House Enrolled Act 1264-2015 ("HEA 1264"), which introduces legislative changes concerning voting on unit budgets by volunteer firefighters. State Line City finds its unit falling under this law. We have two board members serving as firemen (Gregory Robison and Russell Rodolph) on the fire department that provides State Line City with fire protection under a fire protection contact. State Line City respectfully hereby petitions the county Board to perform its obligation under the law to review/approve our 2018 Budget.

Thanks
